~~The 15 Commitments of Conscious Leadership (Book Summary)~~

There is a new paradigm for sustainable leadership success and it's the 15 Commitments of Conscious Leadership. This book does a great job outlining what a conscious leader looks like and how they operate. Conscious leaders lead from Above The Line and unconscious leaders lead from below the line. That means:

These fifteen commitments are a distillation of decades of work with CEOs and other leaders. They are radical or provocative for many. They have been game changers for us and for our clients. We trust that they will be for you too. Our experience is that unconscious leadership is not sustainable.

~~The 15 Commitments of Conscious Leadership: A New Paradigm ...~~

The conscious leader always strives to be above the line, using the 15 commitments as a guide. Being above the line is a leader who is open, committed to learning and curious. Each of the 15 commitments reflects this in a different way. For example, commitment four is speaking candidly.
