Too bad it's a 240D and not at least the 300D or even best a 280E. I had a 83 240D 4-speed and it's honestly the slowest car I ever drove. My 81 diesel Rabbit was even faster with the A/C turned on. Wonderful cars great build (overbuilt) quality. On today's roads you are an obstacle driving that car.
