However, A Shropshire Lad needs frequent sprays. If not, he can defoliate about 50% (if not more) because of black spot. Therefore, if you really prioritize disease resistance when selecting a rose, A Shropshire Lad is not the right rose for you. Fifth, A Shropshire Lad is not floriferous. In other words, he does not repeat particularly well.

## **A. E. Housman - Wikipedia**

Although Housman received much attention for his writing, during his lifetime he only published two sets of poems: *A Shropshire Lad*, and *Last Poems* there was one work that stood out from his other pieces (poets.org 1). However, after his death, his brother published his other series of poems, *More Poems* and *Additional Poems*.

A. E. Housman was one of the best-loved poets of his day, whose poems conjure up a potent and idyllic rural world imbued with a poignant sense of loss. They are expressed in simple rhythms, yet show a fine ear for the subtleties of metre and alliteration. His scope is wide - ranging from religious doubt to intense nostalgia for the countryside. This volume brings together '*A Shropshire Lad*' (1896) and '*Last Poems*' (1922), along with the posthumous selections '*More Poems*' and '*Additional Poems*', and three translations of extracts from Aeschylus, Sophocles and Euripides that display his mastery of Classical literature.

Our goal is to produce eBooks that are user-friendly and accessible to everyone in a high-quality digital format.

A captivating exploration of A. E. Housman and the influence of his particular brand of Englishness A. E. Housman's A Shropshire Lad made little impression when it was first published in 1896 but has since become one of the best-loved volumes of poetry in the English language. Its evocation of the English coun - tryside, thwarted love, and a yearning for things lost is as potent today as it was more than a century ago, and the book has never been out of print. In Housman Country, Peter Parker explores the lives of A. E. Housman and his most famous book, and in doing so shows how A Shropshire Lad has permeated English life and culture since its publication. The poems were taken to war by soldiers who wanted to carry England in their pockets, were adapted by composers trying to create a new kind of English music, and have influ - enced poetry, fiction, music, and drama right up to the present day. Everyone has a personal "land of lost content" with "blue remembered hills," and Housman has been a tangible and far-reaching presence in a startling range of work, from the war poets and Ralph Vaughan Williams to

Inspector Morse and Morrissey. Housman Country is a vivid exploration of England and Englishness, in which Parker maps out terrain that is as historical and emotional as it is topographical.

In this series a contemporary poet selects and introduces another poet of a different generation whom they have particularly admired. This selection of A.E. Housman poems are selected by Alan Hollinghurst.

Evocative of 'the blue remembered hills' of his youth, Alfred Edward Housman's *A Shropshire Lad* is a collection of sixty-three poems of extraordinary beauty and feeling. Set in a semi-imaginary pastoral Shropshire, Housman's verse considers the helplessness of man, the fragility of life and the terrible effects of war, against the background of an aching beautiful countryside. Inspirational for generations of readers, *A Shropshire Lad*, with its sweeping themes of youth and love, has found its way into the canon of English folksong and has been set to music by composers George Butterworth, John Ireland and Ralph Vaughan Williams. This beautiful Macmillan Collector's Library edition of A. E. Housman's *A Shropshire Lad* features the superb wood engravings of the Vorticist artist and illustrator Agnes
