ATA 100 - Wikipedia

ATA Chapters, also known as the ATA 100 System Codes, refers to the categorization of parts as organized by the Air Transport Association. These numbers will typically be found in any Component Maintenance Manual (CMM) for any civilian aircraft and one category can consist of several subcategories for different parts. As an example, ATA Chapter 22 refers to Air Conditioning, meaning that ATA Chapter 22 parts can fit into any subcategory fitting shut-off valves, fans, rotary actuators, check ...
