In this Eighth Edition of American Democracy in Peril, author William E. Hudson provides a perceptive analysis of the challenges our democracy faces in the current era: economic crisis, partisan gridlock, rising economic inequality, and continued military conflict in the Middle East and elsewhere. By introducing the history of democratic theory in terms of four "models" of democracy, he provides readers with a set of criteria against which to evaluate the challenges discussed later.

Since Trump took office in early 2017, the
US has experienced an erosion of
democracy and witnessed the unfolding of
authoritarian leadership. The imminent
presidential election is thus a referendum on
the new illiberal direction America has taken
under a president who has mainstreamed far-
right extremism and pursued a foreign
policy built on transactional alliances with
murderous despots ...
