Cyclone, Mother of Wind
The Aisea tribe depicted cyclones as a maternal force that was as protective as it was destructive. According to their legend, an old woman allowed her sons and only daughter to travel the world. At each town they came across, the sons instigated, and won, games of field hockey. Angry at losing the game, the people in one town trapped the children in a stone house.

Five myths about American Indians - The Washington Post
In Navajo mythology, Spider Woman (Na ashjé’ií Asdzáá) is the constant helper and protector of humans. Spider Woman is also said to cast her web like a net to capture and eat misbehaving children. She spent time on a rock aptly named spider rock which is said to have been turned white from the bones resting in the sun.
