And you thought sending an eleven-year-old kid to a hostel in a military or Sainik School is cool? Say, at least, for overall development? Not at all. Especially for those pitiable kids, who get just six to seven hours of sleep and undergo a daily dose of physical and psychological torture! But with time, teenage years come forth, and adolescence breaches all barriers that parents, school and society create. Fun is on the house, and deep bonds are created – which grow and last a lifetime! Amu is more beautiful than her intellect can handle. She enjoys a 'Cobweb of Boyfriends,' but loves Hamurabi more than she loves herself. Hamurabi is absolutely committed to Amu and believes in the idea of only-one-lover, which is

too outdated for Amu's lifestyle. Everyone expresses true love differently, nobody has exclusive right to define it, Hamurabi and Amu had theirs. Isn't true love enough to sustain their relationship at such a tender age? Find out the secrets of life in a hostel and read an ordinary yet unique love story.
