Well, I think it's safe to say I have never read anything quite like Serra Elinsen's Awoken. While this is a story about a teenage girl who falls in love with Cthulhu, I would consider this more-so a parody/critique of 2010's popular YA paranormal romance than one of H.P. Lovecraft's work.

Awoken by Serra Elinsen - Goodreads

This is pretty much an open secret by now, but "Awoken" is actually a parody of the paranormal romance genre, written under the alias of Serra Elinsen but actually penned by YouTube personality Lindsay Ellis and her friends to mock "Twilight" and its slew of copycat paranormal romances.

Amazon.com: Awoken (9781491268728): Elinsen, Serra: Books

About the Author Serra Elinsen lives in Trotwood Ohio with her husband and their five rambunctious children. She earned her degree in English literature from Dayton University. When she's not packing lunches, playing chauffeur or writing, she is an avid matryoshka doll collector.

Awoken by Serra Elinsen | LibraryThing

— How Serra greets her readers every single time ! A rising voice in the genre of teen Paranormal Romance, she has just released Awoken (Book One of the Viridian Saga), a book about a high school girl who falls in love with a boy who turns out to be an avatar of none other than Cthulhu.

Serra Elinsen / Just For Fun - TV Tropes

July 24, 2013 by Serra Elinsen People keep asking me why I chose to set the world of my Awoken (Book One of the Viridian Saga) in Rhode Island. Well the amazing answer is... because of the ocean!

Serra Elinsen | Author, dreamer, mom extraordinaire

Along with her friends Elisa Hansen and Antonella "Nella" In Serra, she wrote Awoken, a paranormal romance parody of Twilight about a woman falling in love with Cthulhu, under the alias Serra Elinsen. In 2010, she wrote and directed the documentary short film "The A-Word" about women's experience with abortion.

Welcome to episode 1 of "Love YA Like Crazy," recorded even before we had decided on a name for it! In this episode, Carrie and Jake discuss the 2013 young a...

'Awoken' by Serra Elinsen - YouTube

Serra Elinsen is a literary genius! Her novel speaks intimately to my inner one-dimensional pastiche of a teenage girl that I never knew I had. The character Andi is brilliantly written: she has so few discernible traits that I can easily slip my own personality into her empty shell and conclude that SHE IS ME.

Awoken: Amazon.ca: Elinsen, Serra: Books

A few days ago, Serra Elinsen released Awoken upon the world, a paranormal romance wherein the love interest is none other than Great Cthulhu itself. It seems Cthulhu, in response to a prophecy that a teenage girl will prevent the coming of Azathoth, materializes in a high school as the mysterious and handsome Riley Bay, and captures the heart ...

Wednesday, 27 April 2016 Awoken (2013) by Serra Elinsen - Book Review Given how it's been almost three years since publication, and the persons involved have been quite open about it since, I'm once again going for the fact behind the veneer with this one. Serra Elinsen, as a person, doesn't exist.

Mahan's Media: Awoken (2013) by Serra Elinsen - Book Review

Review: "Awoken" by Serra Elinsen Posted: June 23, ... I also liked how Elinsen made the works of Lovecraft accessible for her audience, who probably wouldn't be big fans of Lovecraft and his Victorian-era speech patterns, though she manages to slip some of those words in, like cliquant and voltaic. ...

Review: "Awoken" by Serra Elinsen | Rami Ungar The Writer

?In his house at R'lyeh, great Cthulhu lies dreaming... of her. What would you do if you discovered you were the only one in the world with the hidden power to keep it from utter annihilation? What if you had no idea what that power might even be? Andromeda Slate, the self-proclaimed m...

?Awoken on Apple Books

Read "Awoken" by Serra Elinsen available from Rakuten Kobo. In his house at R'lyeh, great Cthulhu lies dreaming... of her. What would you do if you discovered you were the only one...

Andromeda Slate, the self-proclaimed most ordinary girl in America, can't figure out why the gorgeous but mysterious new boy at high school seems to hate her so much. It couldn't have anything to do with the strange dream she had the night before he first showed up in class, could it? The dream where the very same boy rescued her from a giant, green, tentacled sea monster?

When two doll-like men give orphan Michael Stevens a terrifying ability he cannot control, he finds himself in the middle of a war that could reconstruct the very definition of humanity.

The zombie apocalypse was just the beginning of Emily's problems. Now the vampire hunter has to ride cross-country with Death himself in this thrilling apocalyptic adventure series! Two years after the zombie uprising devours 99% of the world's population, it's Emily Campbell's job to destroy vampire communes and rescue their human herds. When a mission goes wrong, and she's faced with certain undeath, she would rather kill herself than ever let them transform her. The problem is that when she tries, the Grim Reaper fails to take her life. And he somehow loses all his powers in the process. Now neither alive nor dead, Emily finds herself stranded in the California desert with Death himself. If she can get him to help her, there's a chance she can cross the vampire- and zombie-swarmed continent to New York, where the remnants of civilization are developing a cure that could make her human again. But without his powers, Death is mired in a crisis of his own. And he is not used to having company.

THE INSTANT NEW YORK TIMES BESTSELLER The alternate history first contact adventure Axiom's End is an extraordinary debut from Hugo finalist and video essayist Lindsay Ellis. Truth is a human right. It's fall 2007. A well-timed leak has revealed that the US government might have engaged in first contact. Cora Sabino is doing everything she can to avoid the whole mess, since the force driving the controversy is her whistleblower father. Even though Cora hasn't spoken to him in years, his celebrity has caught the attention of the press, the Internet, the paparazzi, and the government—and with him in hiding, that attention is on her. She neither knows nor cares whether her father's leaks are a hoax, and wants nothing to do with him—until she learns just how deeply entrenched her family is in the cover-up, and that an extraterrestrial presence has been on Earth for decades. Realizing the extent to which both she and the public have been lied to, she sets out to gather as much information as she can, and finds that the best way for her to uncover the truth is not as a whistleblower, but as an intermediary. The alien presence has been completely uncommunicative until she convinces one of them that she can act as their interpreter, becoming the first and only human vessel of communication. Their otherworldly connection will change everything she thought she knew about being human—and could unleash a force more sinister than she ever imagined.

"It's difficult to love a woman whose vagina is a gateway to the world of the dead..." Steve is madly in love with his eccentric girlfriend, Stacy. Unfortunately, their sex life has been suffering as of late, because Steve is worried about the odd noises that have been coming from Stacy's pubic region. She says that her vagina is haunted. She doesn't think it's that big of a deal. Steve, on the other hand, completely disagrees. When a living corpse climbs out of her during an awkward night of sex, Steve learns that her vagina is actually a doorway to another world. She persuades Steve to climb inside of her to explore this strange new place. But once inside, Steve finds it difficult to return... especially once he meets an oddly attractive woman named Fig, who lives within the lonely haunted world between Stacy's legs. "A very strange and surprisingly touching love story, despite the deliberately asinine premise. With subtle humor, surreal erotica, and some genuinely creepy moments, The Haunted Vagina is a completely unique reading experience."

Truth of the Divine is the latest alternate-history first-contact novel in the Noumena series from the instant New York Times, Wall Street Journal and Los Angeles Times bestselling author Lindsay Ellis. The human race is at a crossroads; we know that we are not alone, but details about the alien presence on Earth are still being withheld from the public. As the political climate grows more unstable, the world is forced to consider the ramifications of granting human rights to nonhuman persons. How do you define "person" in the first place? Cora Sabino not only serves as the full-time communication intermediary between the alien entity Ampersand and his government chaperones but also shares a mysterious bond with him that is both painful and intimate in ways neither of them could have anticipated. Despite this, Ampersand is still keen on keeping secrets, even from Cora, which backfires on them both when investigative journalist Kaveh Mazandarani, a close colleague of Cora's unscrupulous estranged father, witnesses far more of Ampersand's machinations than anyone was meant to see. Since Cora has no choice but to trust Kaveh, the two must work together to prove to a fearful world that intelligent, conscious beings should be considered persons, no matter how horrifying, powerful, or malicious they may seem. Making this case is hard enough when the public doesn't know what it's dealing with—and it will only become harder when a mysterious flash illuminates the sky, marking the arrival of an agent of chaos that will light an already-unstable world on fire. With a voice completely her own and more than a million YouTube subscribers, Lindsay Ellis deepens her realistic exploration of the reality of a planet faced with the presence of extraterrestrial intelligence, probing the essential questions of humanity and decency, and the boundaries of the human mind. While asking the question of what constitutes a "person," Ellis also examines what makes a monster.

In this book, David Lehman, the longtime series editor of the Best American Poetry, offers a masterclass in writing in form and collaborative composition. An inspired compilation of his weekly column on the American Scholar website, Next Line, Please makes the case for poetry open to all. Next Line, Please gathers in one place the popular column's plethora of exercises and prompts that Lehman designed to unlock the imaginations of poets and creative writers. He offers his generous and playful mentorship on forms such as the sonnet, haiku, tanka, sestina, limerick, and the cento and shares strategies for how to build one line from the last. This groundbreaking book shows how pop-up crowds of poets can inspire one another, making art, with what poet and guest editor Angela Ball refers to as "spontaneous feats of language." How can poetry thrive in the digital age? Next Line, Please shows the way. Lehman writes, "There is something magical about poetry, and though we think of the poet as working alone, working in the dark, it is all the better when a community of like-minded individuals emerges, sharing their joy in the written word."

In the Cities of Coin and Spice and In the Night Garden introduced readers to the unique and intoxicating imagination of Catherynne M. Valente. Now she weaves a lyrically erotic spell of a place where the grotesque and the beautiful reside and the passport to our most secret fantasies begins with a stranger's kiss.... Between life and death, dreaming and waking, at the train stop beyond the end of the world is the city of Palimpsest. To get there is a miracle, a mystery, a gift, and a curse—a voyage permitted only to those who've always believed there's another world than the one that meets the eye. Those fated to make the passage are marked forever by a map of that wondrous city tattooed on their flesh after a single orgasmic night. To this kingdom of ghost trains, lion-priests, living kanji, and cream-filled canals come four travelers: Oleg, a New York locksmith; the beekeeper November; Ludovico, a binder of rare books; and a young Japanese woman named Sei. They've each lost something important—a wife, a lover, a sister, a direction in life—and what they will find in Palimpsest is more than they could ever imagine.

A Southern Living Best New Book of Winter 2019; A Refinery29 Best Book of January 2019; A Most Anticipated Book of 2019 at The Week, Huffington Post, Nylon, and Lit Hub; An Indie Next Pick for January 2019 "Ghost Wall has subtlety, wit, and the force of a rock to the head: an instant classic." —Emma Donoghue, author of Room "A worthy match for 3 a.m. disquiet, a book that evoked existential dread, but contained it, beautifully, like a shipwreck in a bottle." —Margaret Talbot, The New Yorker A taut, gripping tale of a young woman and an Iron Age reenactment trip that unearths frightening behavior The light blinds you; there's a lot you miss by gathering at the fireside. In the north of England, far from the intrusions of cities but not far from civilization, Silvie and her family are living as if they are ancient Britons, surviving by the tools and knowledge of the Iron Age. For two weeks, the length of her father's vacation, they join an anthropology course set to reenact life in simpler times. They are surrounded by forests of birch and rowan; they make stew from foraged roots and hunted rabbit. The students are fulfilling their coursework; Silvie's father is fulfilling his lifelong obsession. He has raised her on stories of early man, taken her to witness rare artifacts, recounted time and again their rituals and beliefs—particularly their sacrifices to the bog. Mixing with the students, Silvie begins to see, hear, and imagine another kind of life, one that might include going to university, traveling beyond England, choosing her own clothes and food, speaking her mind. The ancient Britons built ghost walls to ward off enemy invaders, rude barricades of stakes topped with ancestral skulls. When the group builds one of their own, they find a spiritual connection to the past. What comes next but human sacrifice? A story at once mythic and strikingly timely, Sarah Moss's Ghost Wall urges us to wonder how far we have come from the "primitive minds" of our ancestors.

Marisela was found when she was an infant upon the breathtaking shores of Taormina, Sicily. She doesn't know whom she is, or where she is from, and is certain of but one thing: That she loves the ocean. As she dives deeper into the blue waves of her enchanting past, she falls inlove with a man whom may hold the key to secrets she has been searching her entire life to discover.
