Kids' favorite animals as featured in fine art make for a kid-pleasing, parent-pleasing concept book. With these two board books in the Art from the Start series, even the youngest of readers can appreciate what fine art has to offer. In Painting Cats & Dogs, animal art abounds! From Renoir's beloved pets to Degas' majestic horses and Rousseau's fanciful monkeys, the ten beautiful animal paintings in this book will thoroughly engage babies and toddlers. And in Red Squares & More Colors & Shapes, there's so much to see! Whether they are counting Klee's saturated squares or spotting the shapes in Vermeer's richly rendered interiors, little ones will find plenty to enjoy about each of the ten masterpieces in this collection. Spare, rhyming text and famous paintings make reading both of these books (again and again) a pleasure for grownups as well!

Fine art meets basic concepts in board books by the bestselling authors of Minimasters Ten famous portraits by world renowned artists teach the littlest art lovers about feelings. Equality starts early, and it begins at home. As soon as girls are big enough to flip through a board book, they can understand the concept that girls are equal to boys. This book underscores that important idea with clear, simple illustrations and clever rhyming text. From encouraging girls to use their voice and to support other girls to showing them that beauty is on the inside to reminding them that no woman is free until all women are free, there are big lessons here, in a small and appealing package.

Parents and grandparents will love sharing every concise, funny entry with the little ones in their lives.

Little ones who love to say "No!" can chime in while they learn about iconic activists from Frederick Douglass and Alice Paul to Martin Luther King Jr. and Malala. Each spread introduces an iconic figure--such as Gloria Steinem or Cesar Chavez--along with a super simple summary of the actions they took to change the course of history. Activists of all ages will learn about the abolitionist movement, civil rights, women's rights, and more! Detailed, colorful art will thoroughly engage toddlers and preschoolers. And the chance to join the refrain on every spread "NO, NO!" is sure to please the tiniest protestors.
