This revised set of resources for Cambridge International AS and A Level Business syllabus (9609) is thoroughly updated for the latest version of the curriculum. Written by experienced authors, the Coursebook provides comprehensive coverage of the syllabus. Accessible language combined with the clear, visually-stimulating layout makes this an ideal resource for the course. Questions and explanation of key terms reinforce knowledge; different kinds of activities build application, analytical and evaluation skills; and case studies contextualise the content making it relevant to international learners. It provides thorough examination support for all papers with exam-style questions with each chapter and an extensive Paper 3 style case study with each unit. The student CD-ROM contains revision aids, further questions and activities. A Teacher's CD-ROM is also available.

This work provides coverage of the new modular GCE Advanced Level business studies syllabuses as well as existing linear courses. It includes topics such as the economic environment, marketing, accounting and finance, and organisational behaviour.

Cambridge International AS and A Level Business Revision Guide helps students apply their knowledge, understanding and skills to succeed in their course. This endorsed Cambridge International AS and A Level Business Revision Guide has been designed to further develop students' skills for the Cambridge International AS and A Level Business course. Revised to meet the latest syllabus (9609) this book is packed full of guidance to reinforce students' understanding and skills to succeed in their course. Written by experienced examiners this Revision Guide is perfect for international learners and accompanies the Cambridge International AS and A Level Business Coursebook (third edition).

Designed specifically for first-year A-Level students, this work aims to help students make the often difficult transition from GCSE to A-level work. It should show how to evaluate and be critical. "Improve your grade" and "what the examiner is looking for" sections are included.

Essential Business Studies features a thematic approach with a vibrant and accessible format to fully engage students. Activities and guidance on exam preparation, summary mindmaps and up-to-date, dynamic case studies are just some of the features helping to deliver the key course content. Whiteboard and Teacher Support CD-ROMs also available.

The distinctive feature of this book is the international perspective it adopts on business. Very few businesses today operate in a narrow national marketplace and students are therefore encouraged to look at business organisations and business decisions from an international viewpoint. • Essential material for understanding Business Studies principles and techniques. • Activities and case studies based on actual businesses. • Includes examination-style questions.
