~~Care to Co-operate | Wales Co-operative Centre~~

Part 8 deals with the operation, maintenance, and repair guidelines for hot-water boilers and tests and inspections of hot-water-supply and hot-water-heating boilers. Water treatment considerations, boiler water problems, the chemicals used for water treatment and their functions, treatment alternatives, and various procedures are discussed in Part 9.

~~ASME Section VI: Recommended Rules for the Care and ...~~

For example, you can't have a cataract operation on the NHS and pay privately for special lens implants that are normally only available as part of private care. Instead, you either have to have both the operation on the NHS and standard NHS lens implants, or pay for both the operation and implants privately.

20 per cent of children in care left the care system because they returned to live with parents or relatives with parental responsibility as part of the care planning process. Around a third of children will return home to their birth family after a period of time spent in care, if it ' s decided that this is in the best interests of the child.
