This recruitment flyer from the Vaccine Trials Unit has a clear hierarchy and bold colors. Typical content includes: name of the event and theater or performance group, a short description of the event, venue location, dates, and where to buy tickets and find more information. Your recruitment flyer should follow a similar design format.

Five Tips to Improve Clinical Trial Recruitment Flyers - ITHS

1. Introduction Clinical trials, compared to observational studies, are considered by many to be the gold standard method for evaluation of healthcare interventions. They contribute significantly to relevant research evidence developed by the National Institute for Health Research (NIHR) to support the NHS in England and other care providers.
