In case you're wondering: Yes, Congress can change the number of seats on the Supreme Court. It would just require passing a piece of legislation through both the U.S. House of Representatives and...

Can Congress Change The Number Of Supreme Court Justices ...

The U.S. Congress in relation to the president and Supreme Court has the role of chief legislative body of the United States. However, the Constitution's Framers built a system in which three powerful branches of the government, using a series of checks and balances, could limit each other's power. As a result, it helps to understand how Congress interacts with the presidency as well as the Supreme Court to understand how it operates as a group.

U.S. Congress in relation to the president and Supreme Court

Supreme Court justices did not take a positive view of that theory. “I think it’s hard for you to argue that Congress intended the entire act to fall if the mandate were struck down, when the same Congress that lowered the penalty to \$0 did not even try to repeal the rest of the act,” said Roberts.

Supreme Court Obamacare Hearing Went Badly For Republicans

If Congress transgresses that limit, it is the Supreme Court’s duty to annul that transgression. The mandate may be severable — but it is patently unconstitutional, and the justices should say so.
