The Origin and History of The Diamond Light Grid Alignment. The Diamond Light Grid Alignment is born out of many years of personal journeying into the deeper realms of bio-energetic healing and an intense attraction to grid-work, both personal, planetary and cosmic. This journey began in South Africa - often regarded as the original 'home' of the diamond - and took me from a well established home and career there, to a new life and countless valuable experiences in the UK.

A Diamond ' s Journey. When natural diamonds are found in the earth, before they are cut and polished, they are called rough diamonds and still have their outer ' skin ' . They can be discovered in a variety of shapes from cubes to octahedrons (imagine two pyramids joined together at the base). All started life deep within the earth ' s mantle between 720 million to 3.5 billion years ago, created under extreme pressure and high temperatures.
