A classic tarot that brings two fundamental spiritualities of Nature – Wicca and Druidry – together in the ancient art. Since its original publication in 2005, The Druid Craft Tarot has been a popular and highly recommended tarot. Blending the ancient traditions of the tarot with the imagery and wisdom of Nature-based spiritualities, The Druid Craft Tarot is a beautifully illustrated deck with a book to guide both beginners and long-standing practitioners to a deeper reading. Philip Carr-Gomm is one of the most prominent figures in the modern pagan community and is the past head of the largest international druid organization for almost thirty years. With his collaborators, Stephanie Carr-Gomm and Will Worthington, he has created a tarot that draws upon tarot's relationship to both druidry and wicca, drawing upon the primal essence that lies at the heart of each of these systems. Included with the deck is an 80-page booklet. The 78 tarot cards are beautifully illustrated by Will Worthington.

A guide to the interpretation and a description of the oracle's cultural background, and worksheets, all in a wooden box

Druidry and Wicca, also known as "the Craft", are the two great streams of the Western Pagan tradition. Both traditions originated in the British Isles, and both are now experiencing a renaissance all over the world, as more and more people seek a spirituality rooted in a love of nature.
