In Santa's Christmas village at the North Pole, the elves celebrate special days all year round. Apart from Christmas, though, nothing is more exciting to a scout elf than a birthday--and elves celebrate birthdays with a tradition that goes back thousands of years. Now, at the request of children from around the world, Santa has given his scout elves special permission to share that birthday tradition with the families they love. An elf cannot come to a celebration, though, unless it is invited.

The Elf on the Shelf: A Christmas Tradition is an activity the entire family will enjoy. Based on the tradition Carol Aebersold began with her family in the 1970s, this cleverly rhymed children's book explains that Santa knows who is naughty and/or nice because he sends a scout elf to every home. During the holiday season, the elf watches children by day and reports to Santa each night. When children awake, the elf has returned from the North Pole and can be found hiding in a different location. This activity allows The Elf on the Shelf to become a delightful hide-and-seek game.

The frustration of trying to live up to the unreasonable expectations of Santa Claus causes a sensitive boy to snap. When his cries for help go unanswered by dis-functional family, he takes matters into his hands. In the end, his nemesis Santa Claus is out of his life, and all of his dreams come true.

Get ready for Christmas with The Elf on the Shelf® in this bumper sticker activity book! Discover games, puzzles, colouring and more with Santa's special Scout Elves. Write a letter to Father Christmas, decode a message from the Santa's helpers, design your own Christmas cards and more. Plus, use the special chart to record where your Scout Elf has been hiding each day running up to Christmas and enjoy over 150 stickers! Based on the tradition Carol Aebersold began with her family in the 1970s, when a family adopts a Scout Elf and gives it a name, the Scout Elf receives his or her Christmas magic and can fly to the North Pole each night to tell Santa Claus about all of the day's adventures.

The first ever officially licensed, delightful, holiday seek-and-find book with an iconic Christmas toy! It's almost Christmas and the Scout Elves are busy helping Santa decide on his nice list. Can you spot the Scout Elves and Elf Pets in every scene in this book? There are bonus items to find on each spread too, spreading out the holiday activity cheer for many sessions. Celebrate the holiday season with your favorite Elf on the Shelf elves and pets in this delightful seek-and-find book.

A treasured classic told from a Scout Elf's perspective!
