Clinical Excursions Voo  
This book bears witness to the author's psychoanalytic journey from the years 1994-1995 to the present, and as such is a completion and a continuation of his previous Psychoanalysis as a Journey of 1999. The book is divided into two parts: one clinical and the other theoretical. The two parts are connected to each other,

The past fifteen years have seen a resurgence of interest in the psychology of female development, impelled by factors both intrinsic and external to psychoanalysis. Within psychoanalysis,

Download File PDF

Experience It With Viri

increasingly sophisticated formulations regarding ego development and object relations have modified and elaborated drive-oriented conceptualizations of psychosexual development. In addition, the recent focus upon narcissistic and borderline adult pathologies has led to a closer examination of the earliest phases
