First Impressions was just that, an amazing first impression on a new RH series by an amazing author C.R. Crane. I read through the book easily as it was a smooth read with interesting characters. First we have Eva, an unusually attractive young woman who was tossed in the foster care, and placed with a horrible couple.

First impressions are full of promise — and anxiety. On Tuesday night, five speakers in TED's New York office shared a salon that explored the hidden opportunities, truths and humor in these split-second assumptions. First up, NYU associate professor Adam Alter showed how exploiting a simple human trait could actually make us more generous ...

Eva Taylor has been locked in an attic for 4 years. Failed by the foster system, and left in the hands of a woman who hates her, and a man who wants her, Eva has given up hope of ever having a life. When she finds a mysterious letter from Rothmore College addressed to her in the trash, Eva's future suddenly comes alive. Now all she has to do is figure out a way to escape her attic prison, make her way across the country to New York City, and figure out all the things that hint she isn't exactly normal... Along the way Eva meets new friends, explores new places, and stumbles across three beautiful, charismatic, and alarmingly otherworldly men. Do they hold the key to Eva discovering who she really is, or are they just good at first impressions?

Book 7 of the Amazon Top 50 international bestselling series... I would never leave you. It just may take me a second to find you. No matter what life Eva has lived, she's always done whatever it takes to save them. Her soulmates. Damon, the fallen angel who would burn the world for her. Beckham, her golden fae, the first boy she ever loved. Mason, the incubus with a dark past and a voice that makes the heavens cry. Time and time again, Eva has put herself in the flames to save them. But what if a day comes that she can't? Eva might not know what the future holds, But she'll fight for who she loves until her very last breath.

Loneliness. That's all Juliet Caris has ever known. Cursed to pass through time, changing centuries without warning, Juliet has lost everything. A piece of her heart has been lost to the men she has left behind at every stop she has made, and finding herself once again alone, she believes she has no parts of herself left to give. Can a handsome stranger bring her back to life and help her get back what she has lost? Or will Juliet disappear again, this time for good? Join Juliet in a journey across the centuries, in a love story that defies time. What if you could live forever? Could you love forever?

I'm the nightmare they never see coming. You, the one reading this right now. Yes. You. I'm going to warn you this one time. Don't decide to like me. I'm not a good girl.. I'm manipulative. I play games. I've done it countless times and I'll do it again. I can promise you that. With more funding behind me than you can imagine, I can become anyone. I mess with men's hearts. And when I am done, it is more than just their money I take, it's their very sense of self. The football star. The politician. The surgeon. The artist. They all gave over their love. I hate to tell you how easy it is to make them my own. A little smile. A batting of my big, beautiful eyes. The most powerful fall the hardest. Did they take part of my soul with them? Try to get me to admit it. I dare you to try. I'll never say the words you all want to hear from me. I'm never sorry. Those stupid boys. I warned you. Don't. Like. Me. You'll regret it.* The authors strongly suggest you read the forward to this book before you go any further. This is the first book in a trilogy with strong, sometimes dislikable characters in a world where few people are as they seem and love comes at a cost not everyone is willing to pay.*

Hades and Persephone. Everyone knows the story. How he met her and immediately fell in love. How because of that tiny pomegranate seed she spent half of the seasons in the Underworld, and the rest here on Earth. No one mentions the part of the story where she left him. No one mentions that she shattered his heart. And no one ever mentions that Hades was cursed after that. I've just found out that I'm the next girl to be offered to him in an effort to break the curse. The goal is supposed to be simple. Fall in love with Hades. The Fates just never considered he might not love me back. A Hades Retelling like nothing you've read before....

The first and most terrifying monster in English literature, from the great early epic Beowulf, tells his own side of the story in this frequently banned book. This classic and much lauded retelling of Beowulf follows the monster Grendel as he learns about humans and fights the war at the center of the Anglo Saxon classic epic. This is the book William Gass called "one of the finest of our contemporary fictions."

We're going to spend the holidays getting me on Santa's Naughty List! I've always been on the 'Nice' list. Never been one to stray too far from the beaten path, and managed to make it to senior year without doing well... much of anything. Until I ended up stranded in Chicago during the worst snowstorm of the century, away from my family, and days before Christmas. And then I meet them. Two of the most insanely gorgeous guys I'd ever laid eyes on. Charismatic. Sexy. Daring. I've wanted to escape my life for Christmas for so long... and they offer me a chance I just can't pass up. What else is a girl going to do while stranded in a strange city on her own? They insist that they can get me into Santa's Naughty list in less than three days. So I accept the challenge. But that's if I can keep my heart... I mean head, in the game. Because losing my heart was never part of the rules...

The fantasy novel you've always wished Jane Austen had written Shades of Milk and Honey is exactly what we could expect from Jane Austen if she had been a fantasy writer: Pride and Prejudice meets Jonathan Strange & Mr. Norrell. It is an intimate portrait of a woman, Jane, and her quest for love in a world where the manipulation of glamour is considered an essential skill for a lady of quality. Jane and her sister Melody vie for the attentions of eligible men, and while Jane's skill with glamour is remarkable, it is her sister who is fair of face. When Jane realizes that one of Melody's suitors is set on taking advantage of her sister for the sake of her dowry, she pushes her skills to the limit of what her body can withstand in order to set things right—and, in the process, accidentally wanders into a love story of her own. At the Publisher's request, this title is being sold without Digital Rights Management Software (DRM) applied.

REAL WOLVES BITE... I was taught my whole life about the importance of true mates, how when you find that one wolf for you, everything falls into place. Everyone who taught me that was a liar. When I found my true mate, happily ever after sure as hell didn't start, but hell definitely began. I ran away, and now I've been searching for peace for weeks as I drive around the country. I didn't mean to take the wrong road. I didn't mean to make it to that small town. And I didn't mean to meet two men, who set me and my wolf on fire. But here I am somehow, and peace is the last thing I've found. And don't forget about the serial killer... This is a Rejected Mate series, filled with scorching hot wolf shifters who take what they want, enough steam to burn you up, and a hidden town filled with secrets. You'll love this paranormal romance if you love True Blood, Twilight, or Vampire Diaries. Wild Moon is book 1 in a new wolf shifter trilogy by C.R. Jane and Mila Young. More books coming in this series.

They came to Earth. They destroyed my life, took those closest to me, and now they're set on making me their own. Ella Monroe has only one goal in life. To survive. Trapped in a world that's been taken over, Ella is reminded daily of everything that she has lost because of the Vepar. What was supposed to be a fun night out to celebrate her birthday turns into a nightmare encounter at a Vepar club when she catches the eye of three terrifyingly alluring men. Powerful and terrifyingly seductive, the three Vepar make clear they will stop at nothing to possess her. Unable to escape, Ella is plunged into their dangerous and secretive world, where everything is more than it seems. Ella doesn't know what the future holds as their prisoner, but one thing is for sure. Their obsession knows no bounds... The Fallen World Series Bound Broken Betrayed Belong
