This pack consists of the Focus on Grammar 4 Student Book with a MyEnglishLab access code and Workbook 4. Focus on Grammar maintains the proven pedagogy that makes it the most popular contextualized grammar series worldwide. Its unique four-step approach takes students from context to communication -- blending content, reading, writing, listening, speaking and critical thinking in a complete program, and preparing students to understand and use English more effectively. Centered on thematic instruction Focus on Grammar allows students to interact with grammar in realistic contexts and moves them beyond controlled practice to authentic communication. New features include: Updated high-interest readings in multiple genres that expose students to the form, meaning, and use of grammar in natural contexts. Key vocabulary is taught, practiced, and recycled throughout each unit, to ensure acquisition. Fully redesigned grammar charts and notes that provide greater clarity. Explicit pronunciation activities to improve fluency and accuracy. Expanded listening tasks allow students to develop a range of listening skills. Flexible,

ongoing assessment -- including unit reviews, diagnostic and achievement tests, and test-generating software -- allows students to monitor their own progress and teachers to track students' mastery. (Test and test-generating software available in the Teacher's Resource Pack, available separately.) MyEnglishLab: Focus on Grammar, an easy-to-use online learning and assessment program, offers online homework and individualized instruction anywhere, anytime. Allows teachers to assign extra practice, organize homework, and track students' progress using a flexible gradebook. Includes hundreds of new automatically graded activities and assessments that support and go beyond the material in the Student Book. MyEnglishLab: Focus on Grammar, includes the complete Student Book listening program as well.

With a fresh new design and a host of updated exercises and activities, the popular Focus on Grammar series is more practical and accessible than ever. Known for its focus on English grammar through contextualized listening, speaking, reading, and writing activities, this lively integrated skills course helps students bridge the gap between comprehending grammatical structures and actually using them. Centered on thematic instruction, Focus on Grammar combines controlled and communicative practice in a consistent approach that's a proven success among students at all levels. Each unit progresses through four steps: Grammar in Context, Grammar Presentation, Focused Practice, and Communication Practice, using a unique format that makes the program easy for students to understand - and for teachers to implement. Each Student Book features: Clear presentations and charts that make grammar easy to learn. Creative activities that stimulate communication. New high-interest readings that are rich in content. From Grammar to Writing sections that build composition skills. Review Tests to confirm progress and improve scores on standardized tests. New Internet activities for individual, pair, or group work. Other Components (Available Separately): Workbook offers a wealth of additional exercises. Audio CD provides opportunities for both task-based and extended listening. CD-ROM software features contextualized, interactive activities for listening, reading, and writing practice. Teacher's Manual includes numerous teaching tips, audioscripts for all recorded exercises, and a CD-ROM with PowerPoint presentations and blackline masters. Also includes Student Book Answer Key. New Assessment Package for each level features placement, diagnostic, and achievement tests; general proficiency tests; audio CD with scripts; and test-generating software with thousands of items to create class-appropriate tests. Transparencies of all grammar charts in the Student Books help instructors point out important patterns and structures. Test-generating CD-ROM allows teachers to create and customize tests quickly and easily, and is available alone or in the Assessment Package. Companion Website provides students with grammar practice in new contexts through web-based exercises. For online work, see Focus on Grammar Interactive 1.
