Life after capitalism. What comes next? by Mr. Alexander Bard*Four Futures: Peter Frase at the James Connolly Forum Dec. 9, 2016* **What's after capitalism?** **Four Futures Life After Capitalism**
In Four Futures: Life After Capitalism, Peter Frase uses metaphor from popular culture, for example, Star Trek, to describe what life might look like after capitalism, whether we evolve into each future or have it thrust upon us on two axis: equality v. hierarchy and abundance v. scarcity. Communism is equality and abundance.

Four Futures: Life After Capitalism (Jacobin): Frase...

As the title makes clear, Frase outlines 4 possible post-capitalism futures: 1. A utopia of equality and abundance envisioned by Keynes in which all share in the fruits of a society without work. The idea of the elimination of work, while popular, seems ill considered.

Four Futures: Life After Capitalism by Peter Frase

An exhilarating exploration into the utopias and dystopias that could develop from present society. Peter Frase argues that increasing automation and a growing scarcity of resources, thanks to climate change, will bring it all tumbling down. In Four Futures, Frase imagines how this post-capitalist world might look, deploying the tools of both social science and speculative fiction to explore what communism, rentism, socialism and exterminism might actually entail.

Four Futures: Life After Capitalism review – will robots ...

Peter Frase. Four Futures: Life After Capitalism (London and New York: Verso, 2016).. Frase's book builds on Rosa Luxemburg's prediction a hundred years ago in the Junius Pamphlets that "[b]ourgeois society stands at the crossroads, either transition to socialism or regression into barbarism." Specifically, he sketches — in very broad strokes — two versions of socialism and two ...

A Review of Peter Frase's Four Futures - Center for a...

In his speech to the Occupy Wall Street encampment at Zuccotti Park, Slavoj Žižek lamented that "It's easy to imagine the end of the world, but we cannot imagine the end of capitalism." It's a paraphrase of a remark that Fredric Jameson made some years ago, when the hegemony of neoliberalism still appeared absolute. Yet the very existence of Occupy Wall Street suggests that the end ...

Four Futures: Life After Capitalism | Peter Frase | download

Capitalism is going to end. Peter Frase argues that increasing automation and a growing scarcity of resources, thanks to climate change, will bring it all tumbling down. In Four Futures, Frase imagines how this post-capitalist world might look, deploying the tools of both social science and speculative fiction to explore what communism, rentism, socialism and exterminism might actually entail.

Four Futures: Life After Capitalism by Peter Frase ...

In "Four Futures", Peter Frase argues that 21st century Capitalism, haunted by the specters of ecological catastrophe and automation, is in a contradictory dual crisis. Ecological catastrophe generates problems of scarcity, while automation generates the problems/promises of abundance.

Four Futures: Life After Capitalism: Frase, Peter...

In Four Futures, Frase imagines how this post-capitalist world might look, deploying the tools of both social science and speculative fiction to explore what communism, rentism, socialism and exterminism might actually entail. Could the current rise of real-life robocops usher in a world that resembles Ender's Game? And sure, communism will bring an end to material scarcities and inequalities of wealth—but there's no guarantee that social hierarchies, governed by an economy of "likes ...
