The landmark work on mindfulness, meditation, and healing, now revised and updated after twenty-five years Stress. It can sap our energy, undermine our health if we let it, even shorten our lives. It makes us more vulnerable to anxiety and depression, disconnection and disease. Based on Jon Kabat-Zinn’s renowned mindfulness-based stress reduction program, this classic, groundbreaking work—which gave rise to a whole new field in medicine and psychology—shows you how to use medically proven mind-body approaches derived from meditation and yoga to counteract stress, establish greater balance of body and mind, and stimulate well-being and healing. By engaging in these mindfulness practices and integrating them into your life from moment to moment and from day to day, you can learn to manage chronic pain, promote optimal healing, reduce anxiety and feelings of panic, and improve the overall quality of your life, relationships, and social networks. This second edition features results from recent studies on the science of mindfulness, a new Introduction, up-to-date statistics, and an extensive updated reading list. Full Catastrophe Living is a book for the young and the old, the well and the ill, and anyone trying to live a healthier and saner life in our fast-paced world. Praise for Full Catastrophe Living “To say that this wise, deep book is helpful to those who face the challenges of human crisis would be a vast understatement. It is essential, unique, and, above all, fundamentally healing.”—Donald M. Berwick, M.D., president emeritus and senior fellow, Institute for Healthcare Improvement “One of the great classics of mind/body medicine.”—Rachel Naomi Remen, M.D., author of Kitchen Table Wisdom “A book for everyone . . . Jon Kabat-Zinn has done more than any other person on the planet to spread the power of mindfulness to the lives of ordinary people and major societal institutions.”—Richard J. Davidson, founder and chair, Center for Investigating Healthy Minds, University of Wisconsin–Madison “This is the ultimate owner’s manual for our lives. What a gift!”—Amy Gross, former editor in chief, O: The Oprah Magazine “I first read Full Catastrophe Living in my early twenties and it changed my life.”—Chade-Meng Tan, Jolly Good Fellow of Google and author of Search Inside Yourself “Jon Kabat-Zinn’s classic work on the practice of mindfulness to alleviate stress and human suffering stands the test of time, a most useful resource and practical guide. I recommend this new edition enthusiastically to doctors, patients, and anyone interested in learning to use the power of focused awareness to meet life’s challenges, whether great or small.”—Andrew Weil, M.D., author of Spontaneous Happiness and 8 Weeks to Optimum Health “How wonderful to have a new and updated version of this classic book that invited so many of us down a path that transformed our minds and awakened us to the beauty of each moment, day-by-day, through our lives. This second edition, building on the first, is sure to become a treasured sourcebook and traveling companion for new generations who seek the wisdom to live full and fulfilling lives!”—Diana Chapman Walsh, Ph.D., president emerita of Wellesley College

A guide to awareness meditation methods offers a program for coping with illnesses as well as everyday stress.

Stress. It is everywhere around us. Even worse, it gets inside us: sapping our energy, undermining our health, and making us more vulnerable to anxiety, depression, and disease. Now, based on Dr. Jon Kabat-Zinn’s renowned mindfulness-based stress reduction program, this groundbreaking book shows you how to use natural, medically proven methods to soothe and heal your body, mind, and spirit. By using the practices described within, you can learn to manage chronic pain resulting from illness and/or stress related disorders...discover the roles that anger and tension play in heart disease... reduce anxiety and feelings of panic...improve overall quality of life and relationships through mindfulness meditation and mindful yoga. More timely than ever before, Full Catastrophe Living is a book for the young and the old, the well, the ill, and anyone trying to live a healthier and saner life in today’s world. From the Trade Paperback edition.

The time-honored national bestseller, updated with a new afterword, celebrating 10 years of influencing the way we live. When Wherever You Go, There You Are was first published in 1994, no one could have predicted that the book would launch itself onto bestseller lists nationwide and sell over 750,000 copies to date. Ten years later, the book continues to change lives. In honor of the book’s 10th anniversary, Hyperion is proud to be releasing the book with a new afterword by the author, and to share this wonderful book with an even larger audience.

Merging the spirits of Don Quixote, Shakespearean fools, Theodore Roethke, Frank O’Hara, James Merrill, and the Marx Brothers, Zach Savich’s first book does more than showcase the innovative fluency of its roving forms and moods: these poetic hybrids are not hothouse blossoms but minotours. With ebullient intelligence and high-stakes insistence on the panic, lust, and suffering of the sensual world, Full Catastrophe Living uses the self as an instrument to investigate art, love, and the hardest honesty. In meditations, songs, slapstick sequences, sonnets, narratives, and tightly carved fragments, Savich explores the conflicts between romance and reality, between inventing a new world and staying true to this one. Relishing both traditional and experimental poetics, he takes refreshing, ecumenical risks to show the “strange grace / of bells that ring with a rag’s polishing.” Like a Fourth of July band conductor guiding planes to land, his poetic wit alters what’s real. This book will change the ways that readers think about poetry, language’s expressive capacity, and the robust world around us.

Full Catastrophe Living is a manual for developing your own personal meditation practice and learning how to use mindfulness to promote improved health and healing in your own life. It is based on Jon Kabat-Zinn’s highly acclaimed stress reduction programme at the University of Massachusetts Medical Centre, where he uses mindfulness to help thousands of people cope with stress, anxiety, pain and illness. This book will enable you to develop your own stress management programme. It provides easy-to-follow meditation techniques, a detailed eight-week practice schedule, dozens of success stories, plus the latest research findings. This new edition has been revised and updated to include the latest research in support of mindfulness-based programmes and their effectiveness for stress reduction, symptom regulation and emotional balance. It is a practical guide for anyone, well or ill, who seeks to transcend their limitations and move towards greater levels of health and well being.

The bestselling author of the million-copy bestseller Wherever You Go, There You Are and Full Catastrophe Living joins forces with his wife, Myla, in this revised edition of their groundbreaking book about mindfulness in parenting children of all ages. Updated with new material -- including an all new introduction and expanded practices in the epilogue -- Everyday Blessings remains one of the few books on parenting that embraces the emotional, intuitive, and deeply personal experience of being a parent, applying the groundbreaking “mind/body connection” expertise from global mindfulness leader, Jon Kabat-Zinn and his wife, Myla Kabat-Zinn. Mindfulness is a way of living and there is increasing scientific evidence of its value for optimal health and well-being. A new field in psychology is devoted to mindful parenting, and mindfulness is being increasingly integrated into K-12 education. There has never been a better time for cultivating greater mindfulness in parenting and in family life.

Mindfulness opens us up to the possibility of being fully human as we are, and of expressing the humane in our way of being. Mindlessness de facto closes us up and denies us the fullness of our being alive. This book may on the surface appear to be merely another offering in the genre of daily readings. But deep within these 108 selections lie messages of profound wisdom in a contemporary and practical form that can lead to both healing and transformation. We so urgently need to rotate in consciousness in order to safeguard what precious sanity is available to us on this planet. How we carry ourselves will determine the direction the world takes because, in a very real way, we are the world we inhabit. Our world is continuously being shaped by our participation in everything around us and within us through mindfulness. This is the great work of awareness. Welcome to the threshold . . . to the fullness of arriving at your own door!

Think you have no time for mindfulness? Think again. “Thoughtful and provocative... The relevance of this work is unquestionable, as it leaves us inspired and optimistic that true healing really is possible” (Sharon Salzberg). For four decades, Jon Kabat-Zinn has been teaching the tangible benefits of meditation in the mainstream. Today millions of people have taken up a formal mindfulness meditation practice as part of their everyday lives. But how do you actually go about meditating? What does a formal meditation practice look like? And how can we overcome some of the common obstacles to incorporating meditation into daily life in an age of perpetual self-distraction? Falling Awake directly answers these urgent and timely questions. Originally published in 2005 as part of a larger book titled Coming to Our Senses, it has been updated with a new foreword by the author and is even more relevant today. Science shows that the tangible benefits of a mindfulness meditation practice are impossible to ignore. Kabat-Zinn explains how to incorporate them into our hectic, modern lives. Read on for a master class from one of the pioneers of the worldwide mindfulness movement.

One of America’s most respected Buddhist teachers distills a lifetime of practice and teaching in this groundbreaking exploration of the new Buddhist tradition taking root on American soil.
