Government Paper Definition - Investopedia

White papers are policy documents produced by the Government that set out their proposals for future legislation.

White Papers are often published as Command Papers and may include a draft version of a Bill that is being planned.

White Papers - UK Parliament

Green Papers are consultation documents produced by the Government. The aim of this document is to allow people both inside and outside Parliament to give the department feedback on its policy or legislative proposals. Copies of consultation documents such as Green Papers are available on the related departmental websites.
