Despite the public bare-bottom spanking she receives upon her arrival at the detention center, Jenny remains defiant, and before long she earns herself a trip to the notorious medical wing of the facility. Once there, Jenny quickly discovers that a sore bottom will now be the least of her worries, and soon enough she is naked, restrained, and shamefully on display as three stern, handsome alien doctors examine and correct her in the most humiliating ways imaginable. The doctors are experts in the treatment of naughty young women, and as Jenny is brought ever closer to the edge of a shattering climax only to be denied again and again, she finds herself begging to be taken in any way they please. Thanred knows well that there is only one way to keep the lust-driven madness which afflicts every male of his kind from consuming him, and when he catches the scent of a human female who has been chosen as a bride for his tribe he wastes no time in ravaging her, wringing more intense, helpless pleasure from her quivering virgin body than she would have thought possible. Though being rutted by Thanred left her utterly spent and satisfied, the idea of belonging to the huge, fearsome beast-man terrifies Royla nonetheless, and it isn't long before she decides to make a run for it. Despite her best efforts, however, her escape attempt fails and she quickly finds herself held in place over his strong thighs as her bare bottom is thoroughly spanked. Thanred's plans for Royla include much more than merely using her to keep his lust at bay. She will be his mate and bear his children. But to end his exile and take back his place among his people he will need to master his little human completely, claiming her publicly in even the most shameful of ways and leaving every potential rival in no doubt that she is his and his alone. Publisher's Note: Bride to the Beast includes spankings and sexual scenes. If such material offends you, please don't buy this book.
