Weber, provides the reader with the key players and events of human history in quick snapshot events as part of the 50 Events Series of books.

Human History in 50 Events: From Ancient Civilizations to ...

Modern humans spread rapidly from Africa into the frost-free zones of Europe and Asia around 60,000 years ago. The rapid expansion of humankind to North America and Oceania took place at the climax of the most recent ice age, when temperate regions of today were extremely inhospitable.

Where To Download History Human History In

migration is the movement by people from one place to another, particularly different countries, with the intention of settling temporarily or permanently in the new location. It typically involves movements over long distances and from one country or region to another. Historically, early human migration includes the peopling of the world, i.e. migration to world ...

Maybe it's a wild anecdote that seems too crazy to be true. Whatever the case, it's the little, surprising bits of history are perhaps the most fun bits of history—the type of info that's so wacky and out there it could never be repeated even if someone wanted to. Here are 50 such tidbits, in no particular order.
