Being healthy is much more than being physically fit and free from disease. Health is the state of well-being in which all of the components of health -- physical, emotional, social, mental, spiritual, and environmental -- are in balance. To be truly healthy, you must take care of all six components. - p. 11.

It ' s graduation day for sixteen-year-old Malencia Vale, and the entire Five Lakes Colony (the former Great Lakes) is celebrating. All Cia can think about—hope for—is whether she ' ll be chosen for The Testing, a United Commonwealth program that selects the best and brightest new graduates to become possible leaders of the slowly revitalizing post-war civilization. When Cia is chosen, her father finally tells her about his own nightmarish half-memories of The Testing. Armed with his dire warnings ( " Cia, trust no one " ), she bravely heads off to Tosu City, far away from friends and family, perhaps forever. Danger, romance—and sheer terror—await.

National Book Award Winner The red words painted on the trailer caused quite a buzz around town and before an hour was up, half of Antler was standing in line with two dollars clutched in hand to see the fattest boy in the world. Toby Wilson is having the toughest summer of his life. It's the summer his mother leaves for good; the summer his best friend's brother returns from Vietnam in a coffin. And the summer that Zachary Beaver, the fattest boy in the world, arrives in their sleepy Texas town. While it's a summer filled with heartache of every kind, it's also a summer of new friendships gained and old friendships renewed. And it's Zachary Beaver who turns the town of Antler upside down and leaves everyone, especially Toby, changed forever. With understated elegance, Kimberly Willis Holt tells a compelling coming-of-age story about a thirteen-year-old boy struggling to find himself in an imperfect world. At turns passionate and humorous, this extraordinary novel deals sensitively and candidly with obesity, war, and the true power of friendship. When Zachary Beaver Came to Town is the winner of the 1999 National Book Award for Young People's Literature. This title has Common Core connections.

The MCSA 70-687 Cart Guide is the most comprehensive study guide available. Its comprehensive coverage--mapped to the sequence of the exams objectives--offers all the information and insight readers need to succeed on the exam. From start to finish, the book has been organized to improve retention and help Windows professionals focus on the areas where they need the most assistance--all designed to help the reader score better on the MCSA 70-687 Windows 8 Configuring exam.

Develop geographic literacy with the only high school geography text co-authored by the National Geographic. Help your students make the connection between geography and history, as well as geography and current events.
