Stretch your students to achieve their best grade with these year round course companions; providing clear and concise explanations of all syllabus requirements and topics, and practice questions to support and strengthen learning. - Consolidate revision and support learning with a range of exam practice questions and concise and accessible revision notes - Practise exam technique with tips and trusted guidance from examiners on how to tackle questions - Focus revision with key terms and definitions listed for each topic/sub topic

For Chapters 1-14, this manual contains detailed solutions to approximately 12 problems per chapter. These problems are indicated in the textbook with boxed problem numbers. The manual also features a skills section, important notes from key sections of the text, and a list of important equations and concepts.

Encompassing constructivism, classicism, Bauhaus, surrealism, pop, and postmodern, Woodham's (design history, Brighton Polytechnic) chronological account describes, compares and contrasts all the major trends in North American and European ornament from 1900 to the present. With 400 illustrations, 200 in color. Annotation copyrighted by Book News, Inc., Portland, OR
