New Woman - Wikipedia

The New Woman, a tempting object of ridicule in the press and popular fiction, was generally middle-class, and New Women included social reformers, popular novelists, suffragists, female students and professional women. The contemporary satirical representations of the New Woman usually pictured her riding a bicycle in bloomers and smoking a cigarette. Lyn Pykett has observed the ambivalent ...

Who was the flapper, and who was the New American Woman? They weren't specific individuals, but rather symbols that defined women in the early decades of the twentieth century. After the country had celebrated the end of World War I in 1918, the Flapper shocked society by flagrantly defying the traditional passive and gentile image of femininity.
