An Introduction to Project Management,  
Fifth Edition

So I have ready Kathy's books through the years especially when I want to brush up on PMP terminology and moving into a Project Management role. It's a good read and she does more than just regurgitate the PMI PMBOK but instead has good examples, stories from actual events, and how reality works in Project Management.

Management by Kathy Schwalbe  
"Information Technology Project  
Management" is the first project  
management title with a focus solely on  
Information Technology projects. The book  
combines the best of both worlds: an  
academic text that treats project  
management from a research point of view,  
providing running cases and other strong  
pedagogical elements; and a practical text  
that provides hands-on projects at the end  
of each ...
