This book centers on Jesus Christ as revealed in both the Old Testament and the New Testament. It is a book ABOUT how the Bible is ALL ABOUT Jesus from cover to cover. Chapter by chapter, Friel illustrates how the Bible reveals Jesus to be the way, the truth, and the life. I loved how rich it was in Scripture.

Jesus Christ is the most famous man in human history, but exactly who was He? Some say a fable; others think just one option among many good teachers, or even a nice guy who taught morals. Do any of these descriptions capture the totality of who He was? Jesus Unmasked goes directly to the world's greatest expert on Jesus Christ, Jesus Himself. Who Jesus said He was and why He said it the way He did What historical accounts and Biblical details reveal versus what we assume Why 4000 years of history, prophecy and chronology force every human being to render their verdict about this one man. When you encounter Jesus Unmasked, you will not be ambivalent. Jesus gives us clarity and insight into the nature of God. Interact with what Jesus taught about Himself and draw your own conclusions to the world's most important question: "Who is the real Jesus?"

Who was Jesus? Get to know Jesus intimately ... as though you had walked with Him during His days of earthly life. This book is all about the Birth of Jesus and how Jesus was aided by Clear signs, His attributes and Virtues. Whether you are a Christian, a Jew, or a Muslim, you will enjoy this enlightening book.

Herman Who? (DVD with study guide) Ask most Christians what they know about hermeneutics and they will probably ask, "Herman Who?" Spend 75 minutes with us and you will receive a condensed 16-week master's level education on how to read the Bible right. You will never read the Bible the same way again... and you will never have the wool pulled over your eyes by a false teacher. Paul told Timothy (and us) to "Be diligent to present yourself approved to God, a worker who does not need to be ashamed, rightly dividing the word of truth." By studying this course, you will be equipped to rightly divide the Word of Truth and read the Bible right. Includes the complete updated study guide. Perfect for individual or group study.

In The Lamb's Agenda Samuel Rodriguez offers a blueprint for Christian rejuvenation, a prophetic call to orient our lives at the nexus of the cross.

Christianity Has the Resources to Address Intellectual and Cultural Issues. Do You? Christians can feel overwhelmed at the sheer number of competing worldviews in today ' s pluralistic, multicultural society. Thankfully, you don ' t have to memorize a different argument to answer every new issue. Instead, you can master a single line of defense, grounded in Scripture, that applies to any theory. In Romans, Paul reveals the strategy for defending the Christian message in a pluralistic culture where many are hearing it for the first time. Finding Truth is the real-world training manual that equips you to confidently address issues you ' ll face in the classroom, workplace, and popular culture.

THE CHURCH HAS GONE TO THE WOLVES. The blasphemously named "Holy Ghost Bartender" encourages people to get "drunk in the Spirit" and fall down laughing maniacally. A megachurch youth pastor puts peanut butter in his armpits and has his youth group lick it out. A celebrity pastor spends twenty-four hours in a bed, with his wife, on the roof of the church, in an effort to encourage his flock to have sex every day for a month. This is just the tip of the insanity iceberg known as Evangelicalism. A famine of biblical discernment has led to skinny sheep, fat goats, and a compromised Christian witness. While there are great, godly men who boldly and biblically shepherd their flocks, the majority of evangelical churches have become silly centers. The result? America the beautiful has become America the debauched. In Judge Not, Todd Friel dares to violate Evangelicalism's first commandment: thou shall not judge. Friel satirically and painfully exposes some of the rot in the underbelly of the contemporary church, and points to a solution to help rescue the church, save souls, and glorify God. Prepare to potentially be shocked, offended, and inspired to do more than just complain about the state of Evangelicalism. This book will enable you to actually do something to put an end to the chicanery that pervades far too many churches. It is time to act, before all of our children are consuming peanut butter a la armpit.
