Szczeklik weighs in on the ongoing debate about the compatibility of religion and science, supporting the view of leading geneticist Francis Collins and rejecting the stance of Richard Dawkins, who embraces atheism.

Kore

There is a grand tradition of physicians who are also great writers and philosophers. From Copernicus and Paracelsus, to Chekov, Osler and Frankl. And most recently Sherwin Nuland and Oliver Sacks have gained broad readerships and made huge contributions to the way we think and the way we live our lives. Andrzej Szczeklik is entirely worthy to join their company.

Andrzej Szczeklik was a Polish immunologist working at the Jagiellonian University School of Medicine in Kraków. Having received numerous distinctions for his research, Szczeklik was also well known as a writer. He received his graduate degree from the Jagiellonian University, and after completing his one-year internship in the USA he worked for seven years at the Academy of Medicine in Wrocław. He completed his postgraduate training abroad; at the Karolinska Institutet in Stockholm and ...

Andrzej Szczeklik - Wikipedia

When his first book, *Catharsis*, was published in English, critics from Seamus Heaney to Czesław Miłosz stood to applaud.
