Discussing educational issues in your teaching interview. You may have a question around recent education trends, current issues or new methodologies in education. In your interview you may be asked to create a presentation on current issues in education or asked a question around current issues in schools and in the media.

Current educational issues | Prospects.ac.uk

Legal and ethical issues are prevalent in the health care industry, and in particular for the nursing practice, where nurses have daily individual contact with patients. Ethical issues are wide-ranging, from organ donation, genetic engineering, assisted suicide, withholding treatment in end-of-life care, or simple procedures requiring consent.
