La série des Tara Duncan se laisse lire, mais on n’y retrouve n’y l’imagination des Peggy Sue (les histoires de Tara se ressemblent un peu), ni la richesse d’écriture d’Harry Potter. En bref, il ne restera rien de ces livres une fois l’âge de 12-13 ans révolu.

Forced to flee her Earth home when Magister, the Master of the Bloodgraves, attacks, Tara escapes to planet Other- World, where she finds loyal friends and learns about her mysterious powers. But when Tara discovers that her mother is alive and being held captive by Magister, will she be able to save her? Tara Duncan is an inspiring heroine, whose adventures and personal struggles will captivate readers already hooked by fantasy adventures and characters like Harry Potter. This is the first installment of the Tara Duncan series—an epic adventure full of magic and bravery that is sure to cast a spell on young readers!

Magister, le Maître des Sangraves, a décidé de s'emparer coûte que coûte de Tara'tylnahnem Duncan, dite Tara. Afin d'échapper au maléfique " Homme au Masque ", la jeune fille doit s'enfuir sur AutreMonde en compagnie de Manitou, son arrière-grand-père transformé en labrador par un sort malencontreux. Sous la protection du fantasque Maître Chem, Haut mage du royaume du Lancovit, elle y découvrira les sortceliers, le malicieux Palais Vivant, les Vampyrs, les Chimères, les Harpies et toute une pléiade d'amis parfois... inattendus. Du royaume des Limbes où sévissent les démons au somptueux Palais impérial d'Omois, de la forteresse grise des Sangraves à l'île maudite des Roses Noires, Tara Duncan nous entraîne dans un univers peuplé de créatures fantastiques et baroques, à la découverte de son identité. Dans les contes de fées, les princesses se font habituellement kidnapper, enfermer, à moitié rôtir par des dragons, marier à de gros poilus qui ont occis un ou deux monstres alors qu'elles sont amoureuses du "petit page, ensorceler, endormir pour un ou deux siècles, etc. Alors l'une d'entre elles, la princesse Sophie Audouin-Mamikonian a décidé de créer une héroïne drôle et tendre, Tara Duncan, qui n'attend aucun preux chevalier, se défend très bien toute seule ou avec ses amis et, bien que parfaitement terrorisée, affronte les dangers d'AutreMonde avec une totale détermination.

On the planet OtherWorld, Tara’s friend Cal is convicted of a crime he didn’t commit, and she and her friends set out to prove him innocent. It’s an unlikely crew: Tara, the riddle-loving Fabrice, Robin the half-elf, Sparrow the shape-shifting princess, and Tara’s cultured grandfather—and black Lab—Manitou. Blue gnomes help Cal break out of prison, but at a terrible price. To force him to help liberate their people from an evil wizard, they infect Cal with a time-release poison that Tara and her friends must race to neutralize. Helped by Fafnir the dwarf, they defeat the wizard and travel to Demonic Limbo for evidence of Cal’s innocence. There, Tara has a wrenching encounter with the ghost of her dead father. Back on OtherWorld, the situation is grim. Fafnir accidentally releases the terrible Devourer of Souls, who nearly conquers the planet. In desperation, Tara changes into a dragon and allies herself with her nemesis, Magister. They defeat the Devourer, and Tara hurls Magister into Limbo, hopefully forever. Meanwhile, the Empress of Omois has discovered that Tara is her niece and heir. She insists that Tara come live on OtherWorld for good. If Tara refuses, it will mean war. This is the exciting sequel to Tara Duncan and the Spellbinders and is sure to captivate young readers for hours of excitement and adventure!

Humour, aventure et magie pour le premier tome des aventures d’une sortcelière pas comme les autres ! Jeune fille sans histoire, Tara apprend qu’elle est une sortcelière. Ce qu’elle trouve plutôt ringard... Elle a à peine le temps de digérer la nouvelle que sa maison est attaquée par les envoyés de Magister, le Maître des Sangraves ! Elle découvre alors que sa mère, disparue des années plus tôt, est toujours vivante et prisonnière du sinistre Magister. Décidée à la retrouver coûte que coûte, Tara – qui ne maîtrise pas encore ses dons – part sur AutreMonde, la planète où règne la magie. Accompagnée de son arrière-grand-père transformé en labrador par un sort raté, Tara découvre des créatures fascinantes, un Palais farceur, des peuples comme les vampyrs, les dragons ou les nains. Si certains deviennent des amis, le pouvoir trop puissant de la jeune fille attire aussi des convoitises malveillantes. Tara deviendra-t-elle assez forte pour affronter ses ennemis ? ARIELLE QUEEN, Book I - A Knight for a Queen The Best-Selling, Award-Winning Fantasy Series by Michel Levesque "'Fat. Plain. Orphaned.' The three words Arielle uses to describe herself. But a secret, both frightening and beautiful, will emerge, like a butterfly from its cocoon." Arielle, an insecure teenager discovers on her sixteenth birthday that life is not as she once thought--boring. Suddenly thrust into the middle of a battle between evil and more evil that has been raging for centuries she learns of another world co-existing with ours, but invisible to her until until that fateful day. Now, Arielle must discover who she truly is before she can understand all that is happening around her. A journey of self-discovery becomes a life-and-death struggle for our heroine as she battles the supernatural forces pursuing her and learns about herself, her destiny and the prophecies foretelling of her arrival.

A rugged life-style in the Vermont woods with a feisty old hunter called Wishbone Kirk develops the character of a 15-year-old boy.

Bridget Duke is the uncontested ruler of her school. The meanest girl with the biggest secret insecurities. And when new girl Anna Judge arrives, things start to fall apart for Bridget: friends don't worship as attentively, teachers don't fall for her wide-eyed "who me?" look, expulsion looms ahead and the one boy she's always loved—Liam Ward—can barely even look at her anymore. When a desperate Bridget drives too fast and crashes her car, she ends up in limbo, facing everyone she's wronged and walking a few uncomfortable miles in their shoes. Now she has only one chance to make a last impression. Though she might end up dead, she has one last shot at redemption and the chance to right the wrongs she's inflicted on the people who mean the most to her. And Bridget's about to learn that, sometimes, saying you're sorry just isn't enough...
