Celebrate the thirtieth anniversary of the Newbery Honor—winning survival novel Hatchet with a pocket-sized edition perfect for travelers to take along on their own adventures. This special anniversary edition includes a new introduction and commentary by author Gary Paulsen, pen-and-ink illustrations by Drew Willis, and a water resistant cover. Hatchet has also been nominated as one of America ' s best-loved novels by PBS ' s The Great American Read. Thirteen-year-old Brian Robeson, haunted by his secret knowledge of his mother ' s infidelity, is traveling by single-engine plane to visit his father for the first time since the divorce. When the plane crashes, killing the pilot, the sole survivor is Brian. He is alone in the Canadian wilderness with nothing but his clothing, a tattered windbreaker, and the hatchet his mother had given him as a present. At first consumed by despair and self-pity, Brian slowly learns survival skills—how to make a shelter for himself, how to hunt and fish and forage for food, how to make a fire—and even finds the courage to start over from scratch when a tornado ravages his campsite. When Brian is finally rescued after fifty-four days in the wild, he emerges from his ordeal with new patience and maturity, and a greater understanding of himself and his parents.

Get on the right side of your Law School Admission Test It ' s an unbreakable rule that to get into the majority of law schools or practice state law anywhere in the U.S., you must pass the dreaded LSAT. Designed to be the most objective measure of student ability available—unlike a much more subjective GPA—it ' s the ultimate standardized test. This makes it relatively straightforward to prep for, and prep you must! This revised and totally updated new edition of LSAT For Dummies has everything you need to get ready to take – and take down – the LSAT. With it, you ' ll make an irrefutable case why you should be admitted to the school of your dreams. In a friendly, logical style, expert authors Scott and Lisa Hatch —who have coached thousands of students for LSAT success—cover the core concepts, smart strategies, and mental approaches you need to succeed. You ' ll also find plenty of opportunities to apply your enhanced argumentative muscle, analytical reasoning, and essay-writing and reading comprehension skills in full-length practice tests—all recalibrated in this new edition to account for the new computer-based exam format. Take 3 full-length practice tests (one online) plus additional practice questions Consolidate your knowledge in content review sections Compare your answers to sample answers and explanations Get 1-year access to an online test-bank for further practice With up to forty percent of students failing the LSAT each year, you need a solid study plan to conquer it. This book – with companion practice tests online – has you covered.

Based on articles from TIME for Kids magazine, activities provide reading comprehension practice in standardized test format.

Contains 20 nonfiction articles and comprehension exercises in standardized test format designed to help students become better readers and test takers.

Increase your chances of scoring higher on the Praxis II Elementary Education test Contrary to popular belief, the Praxis II Elementary Education test isn't a measure of academic performance, which is why many test-takers who achieve perfect grades in college don't always pass it. Studying such a broad range of topics and enduring such a long testing processing can be challenging, so what's the best way to prepare for it? Turn to Praxis II Elementary Education For Dummies with Online Practice! It offers easy-to-follow subject reviews, test-taking strategies and advice for multiple choice and essay questions, sample practice questions, two full-length practice tests with detailed answers and explanations, and more. If you're one of the more than 600,000 aspiring teachers who take this test each year, this hands-on, friendly test prep guide gets you up to speed on everything you need to know to pass the Praxis II Elementary Education text with flying colors. This helpful guide covers Reading and Language Arts, Mathematics, Social Studies, Science, Art, Music, and Physical Education. It leaves no stone unturned by offering tips on registering for the exam, as well as a detailed overview of the test and how it's administered. Practice with hundreds of authentic Praxis II questions Hone the skills needed to ace the exam and start your career as a licensed teacher Boost your confidence and do your best on test day Get one year of online access to five Praxis II exams to sharpen your test-taking skills If you're a future educator gearing up to take the Praxis II Elementary Education test, this is your ultimate guide to one of the most important tests you'll ever take.

The Fourth Edition of Statistics: A Gentle Introduction shows students that an introductory statistics class doesn ' t need to be difficult or dull. This text minimizes students ' anxieties about math by explaining the concepts of statistics in plain language first, before addressing the math. Each formula within the text has a step-by-step example to demonstrate the calculation so students can follow along. Only those formulas that are important for final calculations are included in the text so students can focus on the concepts, not the numbers. A wealth of real-world examples and applications gives a context for statistics in the real world and how it helps us solve problems and make informed choices. New to the Fourth Edition are sections on working with big data, new coverage of alternative non-parametric tests, beta coefficients, and the "nocebo effect," discussions of p values in the context of research, an expanded discussion of confidence intervals, and more exercises and homework options under the new feature "Test Yourself." Included with this title: The password-protected Instructor Resource Site (formally known as SAGE Edge) offers access to all text-specific resources, including a test bank and editable, chapter-specific PowerPoint® slides. Learn more.
