Etiquette Books - Goodreads

The book achieved immediate success and was translated into many languages. The first English version, by Robert Whittinton (or Whittington) was published in 1532, under the title of A Little Book of Good Manners for Children. Another translation by Thomas Paynell was issued in 1560.

An introduction to the basics of good manners, from meeting and greeting people to proper telephone and mealtime behavior.

An introduction to the basics of good manners, from meeting and greeting people, proper telephone and mealtime behavior, to when it's acceptable to act weird with your friends.

Recommended by The New York Times! Etiquette is one of the most valuable assets a person can have: knowing how best to present yourself, and how to deal with others in a direct, effective manner, is paramount in all personal, professional, and social relationships. Manners That Matter Most seeks to resurrect the bygone customs of good manners and graceful style; all while updating and applying them to the modern age. Covering topics from introductions, greetings and thank-you's, to the etiquette of modern technology (including appropriate places and times to call and text), Manners That Matter Most is a valuable resource and a much-needed guide in our fast-paced world. Suitable for all readers in all social situations, Manners That Matter Most contains both the information and the support you need to gain and give more consideration in your social encounters. With an emphasis on graciousness and chivalry that lends the book its authoritative tone, Manners That Matter Most is the essential companion for anyone looking to put their best foot forward in any situation. Manners That Matter Most also includes: * Inspirational quotes on the importance of courtesy, respect and dignity * The 25 essential lessons everyone should learn to cultivate better manners * Tips for more effective communication with family, friends and co-workers Manners That Matter Most takes an old subject and presents it in a fresh and accessible way, as it reminds us why good practice in etiquette not only makes the practitioner look good, but enhances society as a whole. With Manners That Matter Most, the world opens up—and you know just what to say. From the Hardcover edition.

A revised edition of the best-selling kids' guide to etiquette features advice updated for the 21st century and includes coverage of topics ranging from polite cell phone usage and developing a positive online presence to table manners and managing a respectful dating relationship. Original.

events ranging from eating honey, to visiting friends, to the proper time for afternoon tea.

A guide to twenty-first-century manners for young professionals covers topics ranging from cellphone and e-mail etiquette to fine dining and making introductions, in a work that includes commentary from the author's granddaughter.

Some little pigs remember their manners and others do not.

A fun guide book for God's little princesses. What does it take to be a princess? Sheila Walsh has some important answers to share for every little girl. This trendy design features black & white line art and a two-color pink and black interior. The art will tie to each how-to topic in the book—how to make the best pink cookies, how to wear a tiara, how to earn money at home, how to care for a royal dog, how to be respectful, how to use good manners, how to help Mom, how to follow Jesus, how to act like a princess when things go terribly wrong, and many more.

An “extremely funny” take on the decline of civility, from the #1 New York Times–bestselling author of *How the Hell Did This Happen?* (The Plain Dealer). In *Modern Manners*, cultural guru P. J. O'Rourke provides the essential accessory for the truly contemporary man or woman—a rulebook for living in a world without rules. Traditionally, good manners were a means of becoming as bland and invisible as everyone else, thus avoiding calling attention to one's own awkwardness and stupidity. Today, with everyone wanting to appear special, stupidity is at a premium, and manners—as outrageous and bizarre as possible—are a wonderful way to distinguish ourselves, or at least have a fine time trying. This irreverent and hilarious guide to anti-etiquette offers pointed advice on topics from sex and entertaining to reading habits and death. With the most up-to-date forms of vulgarity, churlishness, and presumption, the latest fashions in discourtesy and barbarous display, O'Rourke is our guide to the art of incivility. “Modern Manners is O'Rourke doing what he has always done: making hilarious, insightful, often vicious fun of the world and all its inhabitants.” —People “A reader who rushes through [Modern Manners] from cover to cover—like I did—will feel like a child who has gorged on chocolate cake: happy, but a bit disappointed that it's all gone. The reason O'Rourke's book is so successful, however, is not just his great sense of humor. O'Rourke's writing has a cutting edge behind it, which makes a reader's laughter just a bit thought-provoking, and just a bit rueful . . . Very funny.” —Chicago Tribune
