Lola's got crap taste in men. It's a family curse, really. So Lola's come up with a new rule for her dating life: do not sleep with

men you like.
Just in time,
too, it turns
out, because
she's recently
met Thorin
Blackwell—a hot
as hell djinn
with a face like
a god and abs to
match. But nope,
she's safely
friend-zoned
Thorin. As long

as they stay
friends, Lola
has nothing to
fear. No drama.
No betrayals.
And certainly no
broken hearts.
Thorin has his
own reasons for
keeping Lola at
arm's length.
She's vibrant,
gorgeous,
funny...and

exactly the kind of woman he can never have.

Monsters like him don't get a happily ever after. But when Thorin's past comes back to haunt him, Lola is dragged into the center of a war between two of the most

powerful djinn
clans. Every
wall will be
torn down as
they're thrust
together in a
fight for their
lives...and their
hearts.
