reveal how a family firm can survive and prosper in the era of multinational giants, and show how innovative projects have transformed healthcare in the United States and The Netherlands. Innovation is the lifeblood of modern society. We offer a wide range of examples of how innovation has shaped our world, from technology to science to politics. In all these case studies we apply The Owls' unique formulae to analyse the root causes of successful innovation and explain how they can work for anyone.

For some people, the mention of The Church of Jesus Christ of Latter-day Saints, or Mormons in short, conjure images of gray-bearded, hardy, rifle-wielding men from Utah, contrasting with their indefatigable, smart-looking, lively missionaries making rounds with a native partner anywhere else in the world at any time. Who would think ill of such people? On the other hand, world media is littered with some pocket of news concerning raids of some far-flung, mysterious Mormon factions in some curious parts of the United States of America. Who are these people? Are we safe and ultimately wise to believe and make brothers of them? That, and other things besides, is what Basic Mind-Sets in Evangelizing Mormons Evangelism will try to answer for us.
