Based on a series of

lectures on translation,

these essays are

discussions on the

difficulties of translating

faithfully. Using

examples from classic

literary texts including

his own novels, Eco examines the rights and wrongs, the misunderstandings and the 'negotiations' needed in order to translate.

"Wilt Idema presents Chinese tales about cats and mice, situating them in the Chinese literary tradition as a whole, and within Chinese imaginative depictions

A brave mouse, a

Welcome to the story of
