This is part of a six-level English course (foundation-level to level five) for pupils between five and 12-years-old. The course employs a twin-track structure that enables teachers to underpin students' language development with a rigorous skills programme. There are two pupil's books at each level: a skills book, covering comprehension (with emphasis on literal), grammar, punctuation, vocabulary and spelling; and a development book, covering comprehension (with emphasis on inferential), the craft of quality writing, forms of writing, styles of writing and composition skills.

The Teachers Resource Book will show how the course provides an underpinning structure to the teaching of English, focusing particularly on the knowledge, skills and understanding of writing, while giving ample opportunity for reading, listening and speaking.
