"This revision book has everything that I wanted when I was revising my Biology for AS-Level. It has clear concise revision notes and notes pages for you to add your own notes as you go along" Myrevisionnotes is a series founded by what I thought was wrong with revision books for A-level. They simply didn't work for me and then I realised that this was because they weren't mine! Simply these revision guides are a collection of clear and concise revision notes, just what you need to know presented in an easy to read format. Simple right?

Exactly matched to the AQA specifications, this Student Book covers all available units of the Double Award.

This brand new set of resources, focuses on raising levels of interest and achievement in Foundation GCSE candidates. This is the only Foundation Level course that is written to cover all major specifications, preparing students for Single and Double Award Sciences.

Written by practising teachers, the best-selling authors of New Understanding Biology fourth edition, this text aims to increase the self-reliance of the senior secondary student. This book is fully accessible to students of all abilities and is clearly laid out in double page spreads, each one flagged for the specification it is relevant to, with sample exam questions.

This support pack has been fully revised and updated with additional guidance on developing the new specifications, activities, ICT support, technician cards, and additional revision and assessment material including past paper questions and model answers. Resources suitable for photocopying include: help Sheets and extension sheets for practical activities; and investigations and content (including further applications and practice). Also included are topic notes, topic maps, OHP sheets of key diagrams and mark schemes with answers to all exam questions in the textbook.

Biology For You has been updated to offer comprehensive coverage of the revised GCSE specifications. It can be used with either mixed ability or streamed sets and higher tier materials are clearly marked.

A2-Level Biology AQA Complete Revision & Practice

This extensively revised 4th edition of an established physics text offers coverage of the recent developments at A/AS-Level, with each topic explained in straightforward terms, starting at an appropriate Level (7/8) of the National Curriculum

Develops student' learning skills using questions and summaries at the end of each chapter and examination questions. Clear, readable text enhanced with attractive colour illustrations and clearly labelled diagrams for ease of understanding. Help students with assessment and independent progress checking through examination questions and self-check answers. Gives support with easy to follow practicals.

This Teacher Support Pack supports the Advanced PE & Sport AS and A2 Level (3e) textbook, and offers student worksheets and activities directly related to the AQA specifications.
