experience as a paramedic and a nurse to tell the story of Found Wanting. Marc is a veteran paramedic in New Orleans. Years of dealing with the worst of society have hardened him and left him with a dark secret. His partner, Brian, is a brand-new EMT who wants only to help everyone. Follow Marc and Brian as they respond to 911 calls. It's hard for Brian to keep his positive outlook, but what will he do when he begins to get suspicious at the unusual deaths in his ambulance?

Meet Lily Wilder: New Yorker, lawyer extraordinaire, blushing bride. And totally incapable of being faithful to one man. Lily's fiancé Will is a brilliant, handsome archaeologist. Lily is sassy, impulsive, fond of a good drink (or five) and has no business getting married. Lily likes Will, but does she love him? Will loves Lily, but does he know her? As the wedding approaches, Lily's nights and mornings, and afternoons of booze, laughter and questionable decisions become a growing reminder that the happiest day of her life might turn out to be her worst mistake yet. Unapologetically sexy with the ribald humor of Bridesmaids, this joyously provocative debut introduces a self-assured protagonist you won't soon forget.

After the incredible success of Animal, Kwan is back with the second, bloody installment in the new Animal saga. Secrets are revealed, sides are chosen and bodies are dropped—it's on! The man ordered to take Animal from the world turns out to be the man who brought him into it. Animal finds himself torn between his hatred for the father who had abandoned him and the man who had taken everything from him. An uneasy truce is formed between father and son to take down a common enemy and finally grant Animal his freedom from

the blood debt he's carried for so many years. But when the ghosts of Animal's past catch up with him he learns that nothing is what it seems, and everything is subject to corruption, even his love for Gucci.

An illustrated, humorous introduction to world history with a emphasis on violence and villains.

In a series of essays scrutinizing feminist and post-structuralists positions, Tania Modleski examines "the myth of postfeminism" and its operation in popular culture, especially popular film and cultural studies. (First published in 1991.)

The Low Protein Food List for PKU has been an indispensable resource for everyone involved in the treatment of phenylketonuria (PKU) since 1995. This third edition contains over 6,000 entries, the most extensive listing yet of foods that are potentially suitable for the diet, nearly double the number found in the previous edition. It includes many new foods found at health-oriented grocery stores, expanding choices for the diet. The book provides information on phenylalanine (phe), protein, and calorie content of foods based on serving portions, both in common measures and gram weights, in an easily searchable format. The handy "mg phe/gm food" column allows users to compare phenylalanine density of foods and make appropriate food choices for individual diet needs. People using an "exchange" system for counting phe will find exchanges are calculated for each food portion as well. The front section of the book also contains valuable information and tips for managing the PKU diet.
