History And

Pickett's Charge was an infantry assault ordered by Confederate Gen. Robert E. Lee against Maj. Gen. George G. Meade's Union positions on July 3, 1863, the last day of the Battle of Gettysburg in the state of Pennsylvania during the American Civil War.. Its futility was predicted by the charge's commander, Lt. Gen. James Longstreet, and it was arguably an avoidable mistake from which the

national life and Gettysburg its turning point, then the climax of the climax, the central moment of our history, must be Pickett's Charge. But as Carol Reardon notes, the Civil War saw many other daring assaults and stout defenses. Why, then, is it Pickett's Charge at Gettysburg--and not, for example, Richardson's Charge at Antietam or Humphreys's Assault at Fredericksburg--that looms so large in the popular imagination?

Often described as the "high water mark" of the Confederate cause during the Civil War, Pickett's Charge has also come to represent the naked brutality of combat. It occurred on July 3, 1863, the third and final day of the Battle of Gettysburg that ravaged the outskirts of a small town in central Pennsylvania. Frustrated by two days of inconclusive struggle, General Robert E. Lee decided to hurl his forces at the center of the Union line, with the objective of breaking through and thus ...

third and final afternoon of the Battle of Gettysburg. After two days of bloody stalemate, the commander of the Confederate forces at Gettysburg, Robert E. Lee, ordered a massive last-ditch assault on Yankee centre to force an end to the contest. The charge would be carried out by three full divisions of infantry – between 12,500 and 15,000 men, all of which would converge on an area surrounding a small cluster of trees just behind the Union line.
