Project Based Learning in
First Grade. What is PBL?
Project-based learning is an
approach in which students
explore real-world problems
and challenges to acquire a
deeper knowledge. Students
learn about a subject by

File Type PDF Project Based Learning First Grade

working for an extended period of time to investigate and respond to a complex question, challenge, or problem.

~~Project-Based Learning for
First Grade | Study.com~~

Project-Based Learning is not just a project. A project is something that can be done alone. Projects are about the product and are teacher directed.

File Type PDF Project Based Learning First Grade

Projects all have the same end goal for each student and occur after the learning. For example, imagine you are in my class.
