Working in the Wild: Land Rover's Manual for Africa is designed to equip Land Rover users with the practical know-how it takes to make the most of the vehicle's capacity for hard work in hostile conditions. The aim of the authors has been to produce a no-nonsense guide which can be used by virtually anyone to keep a Land Rover running to maximum efficiency and effect almost anywhere on Earth. It is based upon the in-depth operating experience of Land Rover engineers and users throughout the world over many years. The book looks at every stage of the working life of a Land Rover - the selection and purchasing of the right kind of Land Rover - how to drive it to maximum effect - how to look after it away from conventional workshops - how to avoid problems - how to overcome unavoidable difficulties - and much more. It has been welcomed by international agencies and specialists who themselves have faced the conditions and situations for which it offers advice.
