Covid: What happens if someone in school tests positive ...

Schools need to keep their students safe, so all school grounds are private and they control who is allowed in and when. Schools decide when parents or carers are allowed access – normally only at specific times. Schools can also bar parents from the premises. Schools can discipline students to ensure that every student is safe and is able to learn. This could include verbal warnings, missing break, written tasks, detention or fixed-term exclusions.
