treasures necessary to restore the rich culture of ancient Egypt. For this, the ancients created a secret chamber whose existence was hidden in myth and whose location was encoded in the Giza pyramids.

Creighton shows how, collectively, the first 16 pyramids represent the allegorical “dismembered body of Osiris,” the Egyptian god of agriculture and rebirth, and, as in the myth of Osiris, one part is missing or hidden--a secret chamber under the sands of the Giza plateau. Creighton reveals how the 3 great pyramids of Giza “point” to the secret location and how they were built with technology akin to modern hot air balloons, used to “fly the stones into place” as cited in Egyptian legends and shown in ancient art. Offering a new understanding of this remarkable civilization, the author concludes with a startling revelation: shortly after he revealed the location of the secret chamber of Osiris--a location never before explored--it became

Exposes the secret agendas behind the latest explorations on the Giza plateau Since 1993 Robert Bauval has been embroiled in the many controversies involving the search for the lost treasures of the pyramid builders and the quest for the legendary Hall of Records of Atlantis. The strange but true story that he unfolds implicates American business moguls, the prestigious National Geographic Society, several Ivy League universities, the Edgar Cayce Foundation, the Freemasons, Christian fundamentalists, Zionists, and the Egyptian government. In this fully updated edition of Secret Chamber, including new color photographs, Robert Bauval pursues his in-depth investigation of clandestine events at Giza and the role played by the controversial ex-Minister of Antiquities Dr. Zahi Hawass. What lies behind the mysterious doors at the end of the star shafts in the Great Pyramid? What do the mysterious inscriptions found behind the Gantenbrink

## Online Library Secret Chamber Osiris Lost Knowledge Sixteen

door mean? What is the real purpose of the Relief Chambers and the red ochre “ graffiti ” in them? Who is behind the secretly tunneling and excavating in these chambers, and why? Is there really a hidden Hall of Records from Atlantis beneath the Great Sphinx? Is the Great Pyramid just a tomb or does it serve a higher purpose involving a lost science of immortality? Why do the ancient texts ascribe the Pyramid ’ s design to the supreme god of wisdom Thoth, the writer of the fabled Books of Hermes? Will the Great Pyramid prove to be the “ missing link ” to our true origins or a “ metaphysical machine ” to access the world beyond? Providing a firsthand account of the strange events that have taken place at the Giza plateau in the last three decades, Bauval reveals the hidden agendas behind these events and raises important questions about the meaning of Egypt ’ s ancient structures and the very origins of civilization.

- Analyzes ancient Coptic-Egyptian texts and evidence from astronomy and archaeology to show how the Big Void may be a grand “ Hall of Ancestors ”
  - Explores the controversy surrounding the discovery of the Big Void and debunks many of the theories regarding the purpose of this massive new “ chamber ”
  - Reveals how the Great Pyramid was built by Khufu as an indestructible “ recovery vault ” to help Egyptian civilization rebuild after an anticipated cataclysm
- In November 2017, an international team of more than 30 scientists published the results of their two-year-long Great Pyramid research project in the journal Nature. Using an advanced imaging technique known as muon radiography, three groups working independently from each other discovered a massive, previously unknown space within the Great Pyramid of Giza. Mainstream

## Online Library Secret Chamber Osiris Lost Knowledge Sixteen

Egyptologists suggest that the “ Big Void ” is simply a stress-relieving device for the Grand Gallery. But, as Scott Creighton reveals, ancient Coptic-Egyptian texts describe exactly what the Big Void is. Exploring the controversy surrounding the Big Void, Creighton artfully debunks many of the theories about the purpose of this massive chamber as well as other long-held Egyptology beliefs. Analyzing the Coptic-Egyptian texts and evidence from astronomy, archaeology, and other sources, the author reveals how the Great Pyramid was built by Khufu as an indestructible recovery vault to help Egyptian civilization rebuild after a cataclysmic natural disaster--a rapid pole shift and subsequent deluge--predicted by his astronomer-priests. And the key component of the recovery vault would have been the Hall of the Ancestors, a sealed safe haven containing the mummified remains of the Osiris Kings, deceased pharaohs who would seek the benevolence of the gods

# Online Library Secret Chamber Osiris Lost Knowledge Sixteen

to ensure Egypt ' s recovery from the disaster.

Howard Carter's discovery of King Tutankhamen's tomb in 1923 sparked worldwide fascination about ancient Egypt, and the mysteries of the Egyptians still loom large. The Pyramids, the Sphinx, mummies, surviving artwork, and more all hold priceless clues about what life was like in ancient Egypt. This book takes a closer look at the information that archaeology has revealed and the lasting impact of these findings.

An investigation of how Moses was deceived and murdered by his father-in-law, Reuel • Shows how the magician Reuel staged the Burning Bush that spoke to Moses and assumed Moses ' identity after his murder • Explains how early scribes edited the Exodus story to cover Moses ' assassination and replacement and fabricated Moses '

## Online Library Secret Chamber Osiris Lost Knowledge Sixteen

origin story • Builds upon the Moses research of Goethe, Christopher Marlowe, and Sigmund Freud--who spent the last 40 years of his life obsessed with solving Moses ' murder The life of Moses, the greatest prophet of the Old Testament, has always been shrouded in mystery. The Bible mentions no witnesses to Moses ' death, no funeral, and no indication of his burial place, and the story of Exodus paints a very contradictory picture of this man so important to both Judaism and Christianity. At times, he is depicted as a meek, stuttering figure and at others his tyrannical commands and fits of rage terrorize the children of Israel. And, for the last years of his life, he chose to hide behind a veil. What is the explanation for these extreme shifts in character? Was Moses mentally ill? As Rand and Rose Flem-Ath reveal, the evidence points to something much more sinister: Moses was murdered and replaced by an impostor. The result of a decade-long investigation, this

## Online Library Secret Chamber Osiris Lost Knowledge Sixteen

book continues and builds upon the research of Goethe, Christopher Marlowe, and Sigmund Freud--who spent the last 40 years of his life obsessed with solving Moses ' murder--and reaches a startling but well-evidenced conclusion that Moses was deceived and murdered by his father-in-law, Reuel. The authors show how Reuel was a skilled magician trained at Egypt ' s prestigious House of Life and they reveal his motive: He was the son of Esau, from whom Jacob stole his birthright, the leadership of the Hebrew people, a role that Moses was now assuming. The authors explain how the magician Reuel used his sophisticated skills of manipulation and illusion to fake the Burning Bush that spoke to Moses as well as conceal his assumption of Moses ' identity after the murder. They reveal how the early scribes of the Old Testament inserted lags of time into the Exodus story to cover Moses ' assassination and replacement, fabricated Moses ' origin

## Online Library Secret Chamber Osiris Lost Knowledge Sixteen

story, and changed the location of the “ Mountain of God ” from Edom, where Reuel was a prince, to Sinai. Unveiling the enigma of Moses ’ real story--and his murder and replacement--the Flem-Aths dramatically challenge the time line and details of biblical history, exposing a cover-up at the very origins of Western religion.

A detailed study of the proportions of the Giza pyramids and how they reveal shifts in the Earth ’ s axis in the remote past—and near future • Debunks the “ pyramids as tombs ” theory and shows how they are “ recovery vaults ” to ensure the rebirth of civilization after a global disaster • Explains in detail how the angles and geometry of the Great Pyramid record a shift of the world ’ s axis in 3980 BCE and predict more to come • Uncovers the location of an additional as-yet-undiscovered “ recovery vault ” on the Giza plateau, as revealed in

## Online Library Secret Chamber Osiris Lost Knowledge Sixteen

the myth of Osiris Offering a radical new perspective on the Great Pyramid of Giza and all the structures surrounding it, including the Sphinx, Scott Creighton and Gary Osborn show how the designers of Giza intentionally arranged these massive structures to create an astronomical timeline recording catastrophic events in the past as well as warning later generations of the precise times of future catastrophes. They reveal how the Old Kingdom pyramids of Giza were created, not as tombs for the pharaohs and their queens, but as “ recovery vaults ” to ensure the rebirth of the Kingdom of Egypt after a global disaster by acting as storehouses for ancient Egyptian culture--its tools, seeds, art, and sacred texts. Through the use of photos, maps, and diagrams of the Giza plateau, the authors explain in detail how the angles and geometry of the Great Pyramid align with the stars of Orion ’ s Belt to encode an important message: that changes in the tilt of the world ’ s axis have

## Online Library Secret Chamber Osiris Lost Knowledge Sixteen

occurred in the remote past, most recently in 3980 BCE, and will occur again in the near future. Highlighting the ubiquitous appearance of 23.5-degree angles--the most important of the precessional angles encoded in the Giza pyramids--in classic works of art, including the work of Leonardo da Vinci and portraits of John the Baptist and George Washington, the authors reveal how this angle, the Great Pyramid, and its fateful message are tied to Freemasonry and other secret societies. Concluding with the remarkable revelation triggered by the myth of Osiris that there may be an as-yet-undiscovered 14th “ recovery vault ” on the Giza plateau, Creighton and Osborn show that the prophecy of Giza is a message of first importance to our own civilization.

We may live in astonishing times, but they are not incomprehensible

when you know how to read the signs. Everybody says we're entering the Age of Aquarius, but when does it start, and how will we know what it looks and feels like? Ray Grasse deciphers the signs and correspondences of our nearing Aquarian future, using the tools of astrology, synchronicity, and mythology. He draws richly from contemporary religion, art, politics, science, even current movies, to show how the cultural signs of Aquarius and our likely future are already apparent and changing our world. The Aquarian Age will be marked by its intensely mental quality, when information will be the driving force of society and the biggest challenges we face will be those of the mind. Decentralization will be the order of business, either the empowered individual will reign supreme, or the collective interests of globalized society will predominate. It could be both. We are all participants in the global drama and all aspects of our inner and outer

## Online Library Secret Chamber Osiris Lost Knowledge Sixteen

lives are bound up with the new Aquarian themes. ' Signs of the Times' is the authoritative travel guide for the trip into our future – don't leave the present without it.

Reveals the radical ancient practice of living resurrection, in which initiates ritually died and were reborn into a state of higher consciousness • Explores living resurrection initiation practices from world cultures, including Egyptian, Greek, Gnostic, Chinese, Celtic, and Native American traditions • Describes the secret chambers and temples where Mystery Schools practiced “ raising the dead ” • Shows why this practice was branded a heresy and suppressed by the Church More than two thousand years before the resurrection of Jesus, initiates from spiritual traditions around the world were already practicing a secret mystical ritual in which they metaphorically died

## Online Library Secret Chamber Osiris Lost Knowledge Sixteen

and were reborn into a higher spiritual state. During this living resurrection, they experienced a transformative spiritual awakening that revealed the nature of reality and the purpose of the soul, described as “ rising from the dead. ” Exploring the practice of living resurrection in ancient Egyptian, Phoenician, Greek, Persian, Indian, Japanese, Chinese, Celtic, and Native American traditions, Freddy Silva explains how resurrection was never meant for the dead, but for the living--a fact supported by the suppressed Gnostic Gospel of Philip: “ Those who say they will die first and then rise are in error. If they do not first receive the resurrection while they live, when they die they will receive nothing. ” He reveals how these practices were not only common in the ancient world but also shared similar facets in each tradition: initiates were led through a series of challenging ordeals, retreated for a three-day period into a cave or restricted room, often

## Online Library Secret Chamber Osiris Lost Knowledge Sixteen

called a “ bridal chamber, ” and while out-of-body, became fully conscious of travels in the Otherworld. Upon returning to the body, they were led by priests or priestesses to witness the rising of Sirius or the Equinox sunrise. Silva describes some of the secret chambers around the world where the ritual was performed, including the so-called tomb of Thutmosis III in Egypt, which featured an empty sarcophagus and detailed instructions for the living on how to enter the Otherworld and return alive. He reveals why esoteric and Gnostic sects claimed that the literal resurrection of Jesus promoted by the Church was a fraud and how the Church branded all living resurrection practices as a heresy, relentlessly persecuting the Gnostics to suppress knowledge of this self-empowering experience. He shows how the Knights Templar revived these concepts and how they survive to this day within Freemasonry. Exploring the hidden art of living

## Online Library Secret Chamber Osiris Lost Knowledge Sixteen

resurrection, Silva shows how this personal experience of the Divine opened the path to self-empowerment and higher consciousness, leading initiates such as Plato to describe it as the pinnacle of spiritual development.

Manly Palmer Hall was a writer, lecturer, mystic philosopher, founder of the Philosophical Research Society, an expert in tarot readings, and a Freemason. He wrote a series of occult books that became famous due to the author ' s breadth of knowledge. Among his books, The Lost Keys of Freemasonry and The Secret Teachings of All Time: An Encyclopedic Exposition of Hermetic, Kabbalistic and Rosicrucian Symbolic Philosophy are best known. His books are primarily informational and contain numerous illustrations and original texts describing mystical components: Freemasonry symbols,
