The amazing stories that Anna Funder tells in Stasiland bring to life with extraordinary vividness both the dark and the more human sides of life in the former East Germany: a young girl who could have started World War III, the man who laid down the line that became the Wall. These and a hundred other tales (from both the recent past and the present, as Berlin still struggles with the legacy of history) make for a highly unusual book, the final effect of which is as life-affirming and ...

Stasiland: Stories from behind the Berlin Wall. (Anna Funder) The wicked reality of Communism has, over the past twenty-five years, been deliberately erased from Western education and, more broadly, from the Western mind. This was entirely predictable. The reasons behind the erasure are not complex.

Stasiland by Aussie author One of the main things that kept it alive for that length of time apart from the Berlin Wall was the Ministerium für Staatssicherheit or Stasi as it was commonly known. The Stasi used every method both legal and illegal to try and keep the people subdued including an army of informers who would track your every move to methods of punishment which ranged from brutal to straight out inhumane.

Stasiland by Anna Funder is a book published in 2003 about individuals who resisted the East German regime, and others who worked for its secret police, the Stasi. It tells the story of what it was like to work for the Stasi, and describes how those who did so now come to terms, or do not, with their pasts. Funder, an Australian, found that Germans often resorted to stereotypes in describing the Oassis, the German nickname for those who lived in East Germany, dismissing questions about civil resi
