Surfaces and Essences: Analogy as the Fuel and Fire of Thinking. Douglas Hofstadter, Emmanuel Sander. Analogy is the core of all thinking. This is the simple but unorthodox premise that Pulitzer Prize winning author Douglas Hofstadter and French psychologist Emmanuel Sander defend in their new work. Hofstadter has been grappling with the mysteries of human thought for over thirty years.

Surfaces and Essences: Analogy as the Fuel and Fire of ...

Surfaces and Essences is basically a book of one idea, explained in ridiculous levels of detail. The basic premise is that analogy-making lies at the core of thinking. The book is written in plain English and would be a good introduction for a beginner without experience in linguistics or cognition.
