Presents a twelve-week program intended to increase creativity by capturing the creative energy of the universe.

'We should write because it is human nature to write' Julia Cameron In The Right to Write, Julia Cameron's most revolutionary book, the author asserts that conventional writing wisdom would have you believe in a false doctrine that stifles creativity. This isn't a book of rules and certainly not about how to write that query letter, how to find a market for your work, or how to find an agent. It's about using writing to bring clarity and passion to the act of living. The secrets in breaking loose from the grip of your established thought process, to unleash the wave of creativity striving to express itself within. Here are techniques and illustrative stories to help you make writing a natural, intensely personal part of life. And this book includes the details of Cameron's own writing processes when creating her best selling books, which include the phenomenal and world famous The Artist's Way and Vein of Gold. For those jumping into the writing life for the first time and for those already living it, the art of writing will never be the same after reading this book. Provocative, thoughtful and exciting, you'll return to it again and again as you seek to liberate and cultivate the writer residing within you.

"A course in discovering and recovering your creative self"--Cover.

“ Julia Cameron invented the way people renovate the creative soul. ” – The New York Times For the millions of people who have uncovered their creative selves through the Artist's Way program: a workbook and companion to the international bestseller. A 6-week Artist ' s Way Program from legendary author Julia Cameron A Washington Post and Publisher's Weekly Bestseller "Cameron's fans will love this"—Publishers Weekly The newest book from beloved author Julia Cameron, The Listening Path is a transformational journey to deeper, more profound listening and creativity. Over six weeks, readers will be given the tools to become better listeners—to their environment, the people around them, and themselves. The reward for learning to truly listen is immense. As we learn to listen, our attention is heightened and we gain healing, insight, clarity. But above all, listening creates connections and ignites a creativity that will resonate through every aspect of our lives. Julia Cameron is the author of the explosively successful book The Artist ' s Way, which has transformed the creative lives of millions of readers since it was first published. Incorporating tools from The Artist ' s Way, The Listening Path offers a new method of creative and personal transformation. Each week, readers will be challenged to expand their ability to listen in a new way, beginning by listening to their environment and culminating in learning to listen to silence. These weekly practices open up a new world of connection and fulfillment. In a culture of bustle and constant sound, The Listening Path is a deeply necessary reminder of the power of truly hearing.

Julia Cameron keeps row after row of journals on the wooden bookcase in her writing room, all containing Morning Pages from more than twelve years of her life. The journals, she says, listen to her. They have been company on travels, and she is indebted to them for consolation, advice, humor, sanity. Now the bestselling author of The Artist's Way offers readers the same companion, in which we may discover ourselves, our fears and aspirations, and our life's daily flow. Readers will find privacy, a portable writing room, where our opinions are for our own eyes. Morning Pages prioritize the day, providing clarity and comfort. With an introduction and instructions on how to use this journal, by Julia Cameron, readers will uncover the history of their spirits as they move their hands across the universe of their lives.

"Julia Cameron has inspired millions with her bestseller The Artist's Way. Now at the age of sixty-five, she shows her contemporaries how retirement can be the most creative and fulfilling stage of life yet. For some, retirement is a day to work toward with anticipation. Others approach retirement with greater ambivalence. While the newfound freedom is exciting and filled with possibility, the idea of retirement can also be very daunting. You are in a unique position to explore yourself and your desires from a place of experience. But the line has been drawn in the sand: The life that you have known has changed, and the life to come is yet to be defined. This book is a twelve-week course aimed at defining--and creating--the life you want to have as you redefine--and re-create--yourself. Filled with essays, tools, and exercises to be done alone or in groups, this toolkit will guide and inspire retirees wishing to expand their creativity. This fun, gentle, step-by-step process will help you explore your creative dreams, wishes, and desires--and quickly find that it's never too late to begin anything"--
