Test Preparation Tips. The following are proven strategies that have helped many students improve test scores and prepare more effectively for exams. Don't Procrastinate. Don't Cram. It seems like some students thrive on last-minute 'cramming'. But most experts will agree, cramming isn't effective. The biggest problem with cramming, according to UCLA professor of psychiatry Andrew Fuligni, is that cramming causes students to sacrifice sleep time in order to study.
