Two identical toys become mixed-up when taken to school.

A powerful challenge to the way we understand the politics of race and the history of anti-racist struggle Whether class or race is the more important factor in modern politics is a question right at the heart of recent history's most contentious debates. Among groups who should readily find common ground, there is little agreement. To escape this deadlock, Asad Haider turns to the rich legacies of the black freedom struggle. Drawing on the words and deeds of black revolutionary theorists, he argues that identity politics is not synonymous with anti-racism, but instead amounts to the neutralization of its movements. It marks a retreat from the crucial passage of identity to solidarity, and from individual recognition to the collective struggle against an oppressive social structure. Weaving together autobiographical reflection, historical analysis, theoretical exegesis, and protest reportage, Mistaken Identity is a passionate call for a new practice of politics beyond colorblind chauvinism and the ideology of race.:

A monumental reassessment of Jefferson's character and impact...--Booklist

Two years after the darkest mission of her career, Mai Fisher is intent on an evening out with some acquaintances. A decent meal, a good play, interesting company are what she needs to push away that mission's memory and more recent events in the Balkans.Someone has other plans, however.In the midst of her meal, an old enemy reappears, and Mai does the only thing she can: She pursues him.Includes a sneak preview of Book Three of A PERFECT HATRED: DESCENDING SPIRAL.

A biography and discography of James P. Johnson, whose musical career spanned the ragtime era.

Nothing can prepare criminal attorney Bennie Rosato for her new client, Alice Connolly, who bears an uncanny physical resemblance to her and tells her, "Pleased to meet you. I'm your twin." But Bennie grew up an only child. She doesn't have a twin. Or does she? Bennie takes on the woman's defense in a murder case and plunges into the mystery of the murderias well as the secret of her own identity. Not until the verdict is in will she finally learn the truth.

Mistaken Identity is about a young man who was falsely accused of a crime he didn't commit. It breaks down every aspect of the case while making available to you the exact transcript from the trial. It also includes some of his experiences throughout his incarceration that has molded him into a completely different human being than he once were. With poetry to start off every chapter, its indeed a great read.

How long does it take for a life to change irrevocably? An evening, an hour, a split second? On the way to her girlfriend's house party, Kelly has no idea that an impulsive decision is about to upend her life and put her relationship on the line.
